Shepherd, 2025-07-20 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **American Painting of the Nineteenth Century** Barbara Novak, 2007-01-12 In this distinguished work which Hilton Kramer in The New York Times Book Review called surely the best book ever written on the subject Barbara Novak illuminates what is essentially American about American art She highlights not only those aspects that appear indigenously in our art works but also those features that consistently reappear over time Novak examines the paintings of Washington Allston Thomas Cole Asher B Durand Fitz H Lane William Sidney Mount Winslow Homer Thomas Eakins and Albert Pinkham Ryder She draws provocative and original conclusions about the role in American art of spiritualism and mathematics conceptualism and the object and Transcendentalism and the fact She analyzes not only the paintings but nineteenth century aesthetics as well achieving a unique synthesis of art and literature Now available with a new preface and an updated bibliography this lavishly illustrated volume featuring more than one hundred black and white illustrations and sixteen full color plates remains one of the seminal works in American art history A Short History of Art Julia B. De Forest, 1913 A Short History of American Literature Walter Cochrane Bronson, 1900 **A Short History of the American Revolution** Everett Titsworth Tomlinson, 1901 *A Short History of the English Colonies in America* Henry Cabot Lodge, 1881 *Early American Decorative Arts, 1620-1860* Rosemary Troy Krill, 2010-08-16 Winterthur Museum is world renowned for its decorative arts collections and its exceptional educational programs Adapted from the training materials developed at the museum the revised and enhanced *Early American Decorative Arts 1620 1860 A Handbook for Interpreters* is an indispensable guide for anyone involved with interpretation of decorative arts collections *Early American Decorative Arts 1620 1860* elucidates the principles of public interpretation explains how to analyze objects and defines the concept of style Eighteen chapters provide comprehensive descriptions of decorative arts including furniture ceramics textiles paintings and prints metalwork glass and other objects Many museums and historic sites display such collections to thousands of visitors annually Guides interpreters educators and collection managers will find this book a helpful summary and a guide to further research This enhanced edition includes now includes a CD featuring beautiful color images of the more than 170 black and white photographs in the book bringing the Winterthur collections to life on your computer and in your classroom Published in cooperation with Winterthur Museum Garden Library **A Short History of the American Revolutionary War** Stephen Conway, 2013-04-12 The American war against British imperial rule 1775 1783 was the world's first great popular revolution Ideologically defined by the colonists formal Declaration of Independence in 1776 the struggle has taken on something of a mythic character From the Boston Tea Party to Paul Revere's ride to raise the

countryside of New England against the march of the Redcoats and from the American travails of Bunker Hill 1775 to the final humiliation of the British at Yorktown 1781 the entire contest is now emblematic of American national identity Stephen Conway shows that beyond mythology this was more than just a local conflict rather a titanic struggle between France and Britain The Thirteen Colonies were merely one frontline of an extended theatre of operations with each superpower aiming to deliver the knockout blow This bold new history recognizes the war as the Revolution but situates it on the wider global canvas of European warfare

The Growth of the American Thought Merle Eugene Curti, Hailed as a pioneer achievement upon its original publication and awarded the Pulitzer Prize in history in 1944 The Growth of American Thought has won appreciative reviews and earned the highest regard among historians of the national experience With his elaboration of the complex interrelationships between the growth of American thought and the whole American social milieu Curti creates not only an intellectual history but a social history of American thought

Painting the Inhabited Landscape Margaretta M. Lovell, 2023-03-27 The impulse in much nineteenth century American painting and culture was to describe nature as a wilderness on which the young nation might freely inscribe its future the United States as a virgin land that is unploughed unfenced and unpainted Insofar as it exhibited evidence of a past its traces pointed to a geologic or cosmic past not a human one The work of the New England artist Fitz H Lane however was decidedly different In this important study Margaretta Markle Lovell singles out the more modestly scaled

explicitly inhabited landscapes of Fitz H Lane and investigates the patrons who supported his career with an eye to understanding how New Englanders thought about their land their economy their history and their links with widely disparate global communities Lane s works depict nature as productive and allied in partnership with humans to create a sustainable balanced political economy What emerges from this close look at Lane s New England is a picture not of a virgin wilderness but of a land deeply resonant with its former uses and a human history that incorporates rather than excludes Native Americans as shapers of land and as agents in that history Calling attention to unexplored dimensions of nineteenth century painting *Painting the Inhabited Landscape* is a major intervention in the scholarship on American art of the period examining how that body of work commented on American culture and informs our understanding of canon formation
