M. McBriar, Alan Marne MacBriar, 1962 Democratic Socialism in Britain David Reisman, 2021-05-19 Socialists are united far more by their shared opposition to anomic individualism than by their commitment to any single interpretative scheme or body of beliefs However the 42 texts by the 27 socialists represented in this collection show that in spite of the striking differences there are certain crucial similarities and points of convergence These volumes show that in Britain at least in the years from 1825 1952 the democrats who called themselves socialists tended to concentrate their discussion around four common themes that served as the core of their common cause quest for community the institution of equality the rehabilitation of the state and transition by consent The classic texts contained in these ten volumes which encompass the Ricardian socialists the Christian socialists and the Fabian socialists seek to make human interaction and social responsibility the centrepiece of economic debate from a variety of ideological perspectives These key contributions to British thought between 1825 and 1952 are still a source of stimulus to students of political economy even as they have acquired the status of great historical works Democratic Socialism in Britain, Vol. 7 David Reisman, 2021-03-24 The texts in this collection of 10 volumes demonstrate both the diversity and continuity in British theories of democratic socialism The selection encompasses the Ricardian socialists the Christian socialists and the Fabian socialists Volume 7 includes *Principles of Economic Planning* by G D H Cole **Organized Patriotism and the Crucible of War** Matthew C. Hendley, 2012-02-27 Patriotic organizations in prewar Britain are often blamed for the public's enthusiastic response to the outbreak of World War One The wartime experience of these same organizations is insufficiently understood In *Organized Patriotism and the Crucible of War* Matthew Hendley examines how the stresses and strains of the Great War radically reshaped popular patriotism and imperialism in Britain after 1918 Using insights from gender history and recent accounts of associational life in early twentieth century Britain Hendley compares the wartime and postwar histories of three major patriotic organizations founded between 1901 and 1902 the National Service League the League of the Empire and the Victoria League He shows how the National Service League strongly masculinist and supportive of militaristic aims floundered in wartime Conversely the League of the Empire and the Victoria League with strong female memberships goals related to education and hospitality and a language emphasizing metaphors of family home and kinship prospered in wartime and beyond into the 1920s *Organized Patriotism and the Crucible of War* is a richly detailed study of women's roles in Britain during the height of popular imperialism as well as a major contribution to our understanding of the continuities in Britain before and after the First World War G. D. H. Cole L. P. Carpenter, 1973 A sensitive analysis of the thought and intellectual development of G D H Cole 1889 1959 the distinguished Labour historian

Cole's career is traced from his earliest days in the Labour movement to his final years as Chichele Professor of Social and Political Thought at Oxford. Professor Carpenter examines Cole's role in the creation of Guild Socialism, his work in the early 1920s when, after the decline of Guild Socialism, he turned towards the analysis of policies, research through the New Statesman and the New Fabian Research Bureau, and teaching at Oxford, his attempts to provide a policy for the Left in the 1930s, the idea of economic planning and the Popular Front, his activities during the Second World War and his place in the debates over the Labour movement's cause after the 1945 government. Finally, Professor Carpenter discusses Cole's courageous recognition towards the end of his life that Socialism had not come and his attempts to start a new cycle of research in one of the first efforts to create a New Left.
