Long Presidency France In The Mitterrand Years 1981 1995:

François Mitterrand Ronald Tiersky, 2003 Tiersky examines the three major themes of Mitterrand's presidency: socialism, national reconciliation and the reconstruction of Europe and shows that on each count Mitterrand left a decisive mark

Western Europe 2003 Europa Publications, 2002-11-30 This edition brings together analyses, statistics and directory data on the countries and territories of Western Europe

France 1815-2003: Modern History For Modern Languages Martin Evans, 2014-02-04 Written in an accessible style and assuming no prior knowledge, the books in this series address the specific needs of students in language courses. *France 1815-2003* focuses on the main events in French political history, including major socio-economic themes when relevant. The book will be supplemented by a specialized website that will include links, interviews with key historians and further documents

The Human Tradition in Modern France K. Steven Vincent, Alison Klairmont-Lingo, 2000-10-01 *The Human Tradition in Modern France* gives a human perspective of the history of France from 1789 to the present, revealed in essays that highlight individuals and intriguing events that too often have been lost under labels and statistics. Students will gain an understanding of the humor and passion in French history from these new original essays by well-established scholars. This collection also relates the individuals, events and controversies to current historiographical debates. *The Human Tradition in Modern France* is an excellent supplementary text for courses on French history and is also useful for courses in world history and Western Civilization

The Extreme Right in France James Shields, 2007-05-07 A comprehensive new historical study of the extreme right in France from the Vichy regime to the present day. The Front National has for some years been France's third political party and the most significant extreme right force in Europe; its leader Jean-Marie Le Pen contested the second round of the 2002 presidential election with 5.5 million votes. This wide-ranging and authoritative book examines the resurgence of right-wing extremism in France from a historical perspective, tracing the political lineage of Le Pen and the FN through key figures and movements on the French extreme right since 1940. Part 1 devotes chapters to the Vichy regime, the aftermath of the Occupation, the Poujadist movement, the Algerian War, the Nouvelle Droite and extreme right ideology and activism in the 1960s and 1970s. Part 2 analyzes the electoral rise of the FN, its evolving programme and exploitation of salient issues, the geography and sociology of its electorate, its exercise of local power and its impact on national political culture in contemporary France. The FN, it is argued, represents both the latest manifestation of a long tradition of right-wing radicalism and a complex new phenomenon within the changing social and political dynamics of France today. This is an essential book for all readers with an interest in French and European politics and modern history
