The Long Road Home Lori Wick, 2005-01-01 She can't be dead the young pastor cried as he looked down at the still white face of his new bride Blinded by bitterness Paul Cameron leaves his church and flees to a logging camp deep in the north woods of Wisconsin There he wrestles with his loss unable to get Corrine out of his mind and unwilling to make peace with God When a falling tree crushes his legs Paul can run no further Broken now in body as well as spirit he must face his own heart as he encounters the love of God in the patient care of his nurse Abigail Finlayson The Long Road Home touches shattered dreams with God's faithfulness and the possibility of new love in this turn of the century romance *The Long Road Home* Martha Raddatz, 2007-03-01 ABC News Chief Global Affairs Correspondent Martha Raddatz shares remarkable tales of heroism hope and heartbreak in her account of Black Sunday a battle during one of the deadliest periods of the Iraq War The First Cavalry Division came under surprise attack in Sadr City on Sunday April 4 2004 Over 7 000 miles away their families awaited the news for forty eight hellish hours expecting the worst In this powerful unflinching account Martha Raddatz takes readers from the streets of Baghdad to the home front and tells the story of that horrific day through the eyes of the courageous American men and women who lived it A masterpiece of literary nonfiction that rivals any war related classic that has preceded it The Washington Post Coming In Ron Jordan, 2007-01-24 A wind comes blowing bringing another new day with each breaking dawn Another day of toil and oftentimes tribulation mixed with affection for the land upon which he lives and works the cowhand's existence is a bond between nature and the folks he has come to know and respect His very existence is the epitome of a freedom that most folks will never know but merely dream of These are the heart rending tales of life in southeastern Wyoming living and working with ranchers and ranch hands cowboys and cowpokes and the occasional suburbanite in search of the real west The edge of civilization rises on a near horizon and with its arrival ushers the end of a western heritage and the cowboy culture that few outsiders will ever comprehend Written with truthfulness and candor the author weaves a tapestry of stories and personal experiences forever mindful of the fabric of life that holds this vanishing and fragile rural society together Provocative this is a perspective unlike any other ever presented Anguish coupled with brutal honesty and compassion for the working ranch hand in the American west this is a brotherhood of understanding *The Warburgs* Ron Chernow, 2016-11-15 From the Pulitzer Prize winning bestselling author of Alexander Hamilton the inspiration for the hit Broadway musical comes this definitive biography of the Warburgs one of the great German Jewish banking families of the twentieth century Bankers philanthropists scholars socialites artists and politicians the Warburgs stood at the pinnacle of German and later of German American Jewry They forged economic dynasties built mansions and estates assembled libraries endowed charities and advised a German kaiser and two American presidents But their very success made the Warburgs lightning rods for anti-Semitism and their sense of patriotism became increasingly dangerous in a Germany that had declared Jews the enemy Ron Chernow's hugely fascinating history is a group

portrait of a clan whose members were renowned for their brilliance culture and personal energy yet tragically vulnerable to the dark and irrational currents of the twentieth century The North Carolina Symphony Joe A. Mobley, John W.

Lambert, 2019-06-20 From its beginnings during the Great Depression the North Carolina Symphony has touched the lives of countless Tar Heels One of the state's premier cultural organizations and the oldest continuously state supported orchestra in the nation the Suitcase Symphony grew from a small group of volunteer players to the world class orchestra it is today This book details the contributions of founder Lamar Stringfield longtime conductor Benjamin Swalin and his wife Maxine current music director Grant Llewellyn and other leaders of this iconic institution The authors place the symphony's story for the first time in the context of North Carolina's cultural history and in the process reveal much about the musical traditions of the Sahara of the Bozart and about the trials and triumphs of maintaining a state symphony orchestra **Fortune**

Tellers Walter A Friedman, 2013-12-01 A gripping history of the pioneers who sought to use science to predict financial markets The period leading up to the Great Depression witnessed the rise of the economic forecasters pioneers who sought to use the tools of science to predict the future with the aim of profiting from their forecasts This book chronicles the lives and careers of the men who defined this first wave of economic fortune tellers men such as Roger Babson Irving Fisher John Moody C J Bullock and Warren Persons They competed to sell their distinctive methods of prediction to investors and businesses and thrived in the boom years that followed World War I Yet almost to a man they failed to predict the devastating crash of 1929 Walter Friedman paints vivid portraits of entrepreneurs who shared a belief that the rational world of numbers and reason could tame or at least foresee the irrational gyrations of the market Despite their failures this first generation of economic forecasters helped to make the prediction of economic trends a central economic activity and shed light on the mechanics of financial markets by providing a range of statistics and information about individual firms They also raised questions that are still relevant today What is science and what is merely guesswork in forecasting What motivates people to buy forecasts Does the act of forecasting set in motion unforeseen events that can counteract the forecast made Masterful and compelling Fortune Tellers highlights the risk and uncertainty that are inherent to capitalism itself *The Long Road Home* Danielle Steel, 2002
