Club Living the Good Life for 120 Years Phil Rose wants us to imagine that living to 120 years is possible He imagined this long before consulting the longevity experts many of whom had reached the same conclusion living to 120 is the natural life span for humans In The 120 Club Living the Good Life for 120 Years Phil Rose presents his Ten Wisdoms for living a balanced and rational life His ideas stand in contrast to much of what is out of balance in our world In addition to the more widely accepted and discussed areas of nutritional supplements diet and exercise Phil Roses program of ten wisdoms includes an in depth analysis of Learning effective and practical ways to reduce stress and heal emotional hurts Managing money and finding meaningful work Living outside the box through personal creativity and play Enjoying the rewards and inner peace of an authentic spiritual life Participating in the essential healing powers of Mother Earth Gaining and keeping long time friendships alive Using alternative healers and Western doctors to repair and heal the body Experiencing personal power to transform the world The 120 Club Living the Good Life for 120 Years is not a quick fix book but one that is meant to accompany you over a lifetime There is no pre requisite to join The 120 Club other than the total and joyful decision to transform your now long and healthy life The 120 Club is THE survival manual for this century Bob Bodgan Professor of Sociology and Education Syracuse University There are books aplenty that urge us to fix the world and as many that guide us in healing the body and soul In these pages Phil Rose wisely shows that to be fully alive is to be fully engaged spiritually politically and personally Read on live well live long Jack Manno Executive Director of the Great Lakes Research Consortium and author of Privileged Goods

The Visioneers W. Patrick McCray, 2012-12-09 The story of the visionary scientists who invented the future In 1969 Princeton physicist Gerard O Neill began looking outward to space colonies as the new frontier for humanity s expansion A decade later Eric Drexler an MIT trained engineer turned his attention to the molecular world as the place where society s future needs could be met using self replicating nanoscale machines These modern utopians predicted that their technologies could transform society as humans mastered the ability to create new worlds undertook atomic scale engineering and if truly successful overcame their own biological limits The Visioneers tells the story of how these scientists and the communities they fostered imagined designed and popularized speculative technologies such as space colonies and nanotechnologies Patrick McCray traces how these visioneers blended countercultural ideals with hard science entrepreneurship libertarianism and unbridled optimism about the future He shows how they built networks that communicated their ideas to writers politicians and corporate leaders But the visioneers were not immune to failure or to the lures of profit celebrity and hype O Neill and Drexler faced difficulty funding their work and overcoming colleagues skepticism and saw their ideas co opted and transformed by Timothy Leary the scriptwriters of Star Trek and many others Ultimately both men struggled to overcome stigma and ostracism as they tried to unshackle their visioneering from pejorative labels like fringe and pseudoscience The Visioneers provides a balanced look at the successes and pitfalls they encountered The book exposes the dangers of promotion oversimplification misuse and misunderstanding that can plague

exploratory science But above all it highlights the importance of radical new ideas that inspire us to support cutting edge research into tomorrow s technologies *Fountains of Youth* Editors of Ronin Publishing,1996-06-25 Shows how to extend life expectancy through nutrition stress reduction fasting megavitamins proteins hormone replacement herbs and new anti aging pharmaceuticals and includes a directory of supply sources publications and organizations Original National ad promo
