

Lord Haldane Scapegoat For Liberalism

Joseph Albert Pease Baron Gainford

Lord Haldane Scapegoat For Liberalism:

Lord Haldane, scapegoat for liberalism Stephen E. Koss, Liberalism and Liberal Politics in Edwardian England George L. Bernstein, 2023-08-11 First published in 1986 *Liberalism and Liberal Politics in Edwardian England* makes a lively contribution to the historical debate over whether the Liberal Party was already threatened by decline before the First World War. It challenges the current orthodoxy among historians of the Liberal Party arguing that neither the new liberalism nor the progressive alliance with Labour helped to make it more attractive to working class voters. Dr Bernstein takes a wide view of liberal ideology and policies stressing that the new liberalism cannot be treated in isolation from traditional domestic and external policies. He examines the crucial relationship between party leaders and constituency activists and argues that the party was more effective when the leadership could mobilize the activists in support of traditional domestic and foreign policies such as peace and retrenchment, free trade, education and temperance reform, land reform, the House of Lords and Irish Home Rule. This book will be welcomed by both scholars and students of history and political science. *A Liberal Chronicle in Peace and War* Joseph Albert Pease Baron Gainford, 2023 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult, international tensions and war. Pease's text provides a uniquely comprehensive understanding of Asquith's government in peace and war. *The Liberal Mind 1914-29* Michael Bentley, 2007-07-12 This study is an exercise in the history of political perception and opinion. It broke new ground in considering the decline of Liberalism through the eyes of Liberals themselves. By concentrating on what Liberal politicians said to one another and to their audience, public and private, a picture is built up of the frame of mind in which those responsible for guiding Liberalism faced a worsening world after 1914. The coming of the First World War was a critical element in forming that frame of mind and the frame of mind was itself critical in deciding the fate of Liberalism in the post-war years. What emerges from this study is the paradox that the Liberal mind was the greatest single obstacle in the way of a Liberal revival. *T.H. Green and the Development of Ethical Socialism* Matt Carter, 2016-11-16 This book uncovers the philosophical foundations of a tradition of ethical socialism best represented in the work of R. H. Tawney, tracing its roots back to the work of T. H. Green. Green and his colleagues developed a philosophy that rejected the atomistic individualism and empiricist assumptions that underpinned classical liberalism and helped to found a new political ideology based around four notions: the common good, a positive view of freedom, equality of opportunity, and an expanded role for the state. The book shows how Tawney adopted the key features of the idealists' philosophical settlement and used them to help shape his own notions of true freedom and equality, thereby establishing a tradition of thought which remains relevant in British politics today. Reporting the First World War A. J. A. Morris, 2015-12-17 Major study of the influential military correspondent Charles Repington and his daily column in *The Times* during the Great War. **World War I** Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage, detailed analyses and

The Fall of the House of Speyer George W. Liebmann, 2015-08-06 The dramatic story of the last fifty years of the Speyer banking dynasty a Jewish family of German descent is surprisingly little known today yet at the turn of the 20th century Speyer was the third largest investment banking firm in the United States behind only Morgan and Kuhn Loeb It had branches in London Frankfurt and New York and the projects it financed included the Southern Pacific Railroad the London Underground and the infrastructure of the new Cuban republic Later it was the first major banking firm to finance Germany's Weimar Republic as well as providing League of Nations loans to Hungary Greece and Bulgaria Yet the firm was doomed by the nationalist passions aroused by World War I Its English partner was denaturalised and exiled its American partner enjoyed reduced standing because of his connection to Germany and the Frankfurt branch closed with the coming of the Third Reich its German partner fleeing into exile The firm was dissolved in 1939 a surprisingly anticlimactic end to one of the great international banking companies of modern times George W Liebmann here tells the story of the firm and the family shedding new light on the protagonists of a remarkable dynasty who came undone in the dramatic years of the early 20th century

The Scottish Idealists David Boucher, 2012-10-15 The extent to which British Idealism was heavily influenced by Scots has been little noticed yet not only were they at the forefront of introducing Hegel into Britain in the work of Ferrier Carlyle Hutcheson Stirling and Edward Caird but they were also distinctive in locating themselves in relation to the Scottish philosophical tradition they sought to extend The Scottish Idealists among them Edward Caird David George Ritchie Andrew Seth Pringle Pattison William Mitchell John Watson and the Welshman Henry Jones who found his spiritual home in Glasgow comprised a formidable force and dominated the philosophical professoriate in Britain Australia and Canada from the late nineteenth century to the years leading up to the First World War Its main centres were St Andrews Glasgow and Edinburgh in Scotland Cardiff in Wales and Oxford in

England This collection of readings the first of its kind has been chosen with a view to displaying the variety richness and strength of the Scottish Idealist tradition beginning with an essay from the famous Essays in Philosophical Criticism 1883 a book that set out the future direction of enquiry for this group of thinkers who shared a common purpose or tendency Scottish Idealism was immensely spiritual in character and recognized no hard and fast distinctions between philosophy religion poetry and science It was a formidable force in social and educational reform

Statesman of Europe T. G. Otte, 2020-11-26 The lamps are going out all over Europe We shall not see them lit again in our life time The words of Sir Edward Grey looking out from the windows of the Foreign Office at the end of August 1914 are amongst the most famous in European history and encapsulate the impending end of the nineteenth century world The man who spoke them was Britain's longest ever serving Foreign Secretary in a single span of office and one of the great figures of late Victorian and Edwardian Britain Statesman of Europe describes the three decades before the First World War through the prism of his biography which is based almost entirely on archival sources and presents a detailed account of the main domestic and international events and of the main personalities of the era In particular it presents a fresh understanding of the approach to war in the years and months before its outbreak and Grey's role in the unfolding of events Yet Grey's life was not all public affairs momentous as those were He disliked being in London much preferring country life at Fallodon his family estate in Northumberland and displayed none of the ambition of his contemporaries or successors He attended assiduously to his duties as director of the Great North Eastern Railway one of the transformative enterprises in industry and communications of the period and wanted to spend as much time as he could fishing Apart from his memoirs the only book he wrote was called The Charm of Birds This hinterland gave quality to his judgements and made his character attractive to his contemporaries This important book is the definitive biography of one of the pivotal figures in European diplomacy and a magnificent portrait of an age
