Waller,2023-05-04 When a hunter becomes the hunted it s time to send in the LSP Welcome to the Lost Souls ParaAgency where agents work together to ensure the safety of humans and prevent exposure of the paranormal community The Assignment stop a spooky spirit from terrorizing a reality television ghost hunter Amira Walker and Lex Dimas are back as a mystery solving duo in this second installment of the Lost Souls ParaAgency series Lex wants nothing more than to hang up his agent status and take Amira to a deserted island for a romantic getaway but his manipulative grandfather has other plans Once again coerced into taking an assignment he doesn t want Lex s top priority is Amira s safety whether she appreciates his overly cautious behavior or not This is Amira s first real assignment as an agent and she s out to prove that her skills as a sleuth can far outvalue her skills as a witch But suppressing her witchy side isn t the only complication for this assignment She has to come face to face with Samuel Chase the jerk extraordinaire who will exploit anyone to gain notoriety as a ghost hunter As if that wasn t bad enough Lex s overprotectiveness is putting a damper on their newfound romance Can she solve her first case without resorting to magic and find a balance in her romantic relationship Trauma and Forgiveness C. Fred Alford,2014-01-09 Contrary to the view of trauma popularized by literary theorists Trauma and Forgiveness argues that the traumatized are capable of representing their experience and that we should therefore listen more and theorize less Using stories and case studies including testimonies from Holocaust survivors as well as the victims of ordinary trauma C Fred Alford shows that while the traumatized are generally capable of representing their experience this does little to heal them He draws on the British Object Relations tradition in psychoanalysis to argue that forgiveness which might be expected to help heal the traumatized is generally an attempt to avoid the hard work of mourning losses that can never be made whole Forgiveness is better seen as a virtue in the classical sense a recognition of human vulnerability The book concludes with an extended case study of the essayist Jean Am ry and his refusal to forgive **LOST FOUNDER FINDS HERSELF** Harriet Rossetto,2025-08-06 This powerful narrative chronicles Rossetto s journey of reinvention and self discovery after stepping away from the organization that was her life s passion at an age when most people would simply retire For forty years Harriet Rossetto also known as The Jewish Jail Lady poured her heart and soul into Beit T Shuvah initially creating a haven for Jewish addicts and eventually expanding its embrace to offer hope and healing to all who sought it Her tireless dedication transformed countless lives making her a beacon of recovery and spiritual guidance But what happens when the very foundation of your identity built over decades of relentless service shifts Lost Founder Finds Herself is a testament to the enduring human spirit a courageous exploration of what it means to let go embrace the unknown and forge a new path It s a story for anyone who has faced unexpected transitions felt the sting of loss or grappled with the question of what s next This memoir is more than a chronological account it s an invitation to witness a life lived fully imperfectly and with unwavering resilience Readers will

connect with Harriet as she wrestles with her demons much like Jacob in the Bible and she has faced her own personal Goliaths and thrived It s a call to embrace our own imperfections strengthen our rebellious spirits and listen to the prophetic voices within Lost Founder Finds Herself is a must read for anyone seeking inspiration to navigate life s inevitable changes find humor in their own foibles and ultimately discover the power of reinvention at any age Prepare to be moved to laugh to cry and to fall in love with Harriet Rossetto the Jewish Jail Lady the Queen of the Misfits and now the Lost Founder who found herself anew
