Mischief in Children's Literature Betsy Bird,Julie Danielson,Peter D. Sieruta,2014-08-05 Secret lives scandalous turns and some very funny surprises these essays by leading kids lit bloggers take us behind the scenes of many much loved children s books Told in lively and affectionate prose this treasure trove of information for a student librarian parent or anyone

wondering about the post Harry Potter children s book biz brings contemporary illumination to the warm and fuzzy bunny world we think we know **Madonna: Biography of the World's Greatest Pop Singer** Karen Lac,2012-07-30 ABOUT THE BOOK In 1984 a young pop musician with a few hits under her belt gave an energetic performance on Dick Clark s American Bandstand After the performance Dick Clark asked of the young woman What do you hope will happen not only in 1984 but for the rest of your professional life What are your dreams What s left Without missing a beat Madonna replied that she wanted to rule the world Twenty eight years after her bold response Madonna s accomplishments and popularity demonstrate that in a way this proclamation proved prophetic Madonna is undoubtedly an international celebrity Thanks to the spread of MTV and the Internet Madonna s music has become a fixture in the lives of people as far away as Zimbabwe She has achieved a level of fame that causes her to be known by people across the world regardless of culture age or sex Even those who don t listen to music know who Madonna is Right from the start Madonna seemed to have a plan on how to dominate the world She wasn t just satisfied with having a successful music career Right after her first two albums both of which were blockbuster albums that produced numerous hit singles such as Like a Virgin Holiday and Material Girl she dabbled in movies and became a movie star With her messy chic style that was mimicked by girls everywhere she also became a fashion icon Her presence and influence was so great in the 1980s that her style and music has come to characterise the decade As time went on the world saw that Madonna wasn t just some entertainer who loved to shock people Of course she did a great job of that over the years by doing things such as wearing scanty clothing while draped in

crucifix necklaces kissing other women and releasing a soft porn coffee table book But perhaps the real reason why she hasn't disappeared yet is because Madonna is extremely smart and shrewd Her accomplishments in the music industry alone include selling more than 300 million records worldwide ranking as the world's top selling female recording artist and top solo artist several sold out tours and multiple Grammy awards This hardly scratches the surface of what she's done with her life By reinventing herself over and over again and diversifying her talents she had managed to keep herself relevant and exciting Not only is she a singer and actress she's also a movie producer songwriter author philanthropist and business entrepreneur She is one of those rare people who have become a part of American culture itself EXCERPT FROM THE BOOK

So after struggling for several years in New York City Madonna finally hit it big in the early 80s Her first album the self titled Madonna featured several Billboard top hits including Holiday Borderline and Lucky Star At MTV's very first Video Music Awards she performed her new song Like a Virgin to promote her upcoming album of the same name Performing on top of a giant wedding cake and writhing around on the floor while dressed in a wedding dress fitted with a bustier she became a national sensation She also caused parental and religious outrage who thought her blatant displays of sexuality rather offensive Like a Virgin demonstrated that Madonna wasn't just a one album wonder It took the number one spot on the album charts for three weeks straight Seven million copies of the album were sold worldwide by May 1985 Her music video for Material Girl inspired by Marilyn Monroe's Diamonds Are a Girl's Best Friend song routine from the movie Gentlemen Prefer Blondes showed that Madonna could do the glamorous look as well just as good as any other celebrity

image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole
