Making His Way (Illustrated) Horatio Alger, 2014-04-23 Two boys were walking in the campus of the Bridgeville Academy They were apparently of about the same age somewhere from fifteen to sixteen but there was a considerable difference in their attire Herbert Grant was neatly but coarsely dressed and his shoes were of cowhide but his face indicated a frank sincere nature and was expressive of intelligence His companion was dressed in a suit of fine cloth his linen was of the finest his shoes were calfskin and he had the indefinable air of a boy who had been reared in luxury He had not the broad open face of his friend for the two boys were close friends but his features were finely chiseled indicating a share of pride and a bold self reliant nature He too was an attractive boy and in spite of his pride possessed a warm affectionate heart and sterling qualities likely to endear him to those who could read and understand him Horatio Alger Jr January 13 1832 July 18 1899 was a prolific 19th century American author best known for his many juvenile novels about impoverished boys and their rise from humble backgrounds to lives of middle class security and comfort through hard work determination courage and honesty His writings were characterized by the rags to riches narrative which had a formative effect on America during the Gilded Age Alger s name is often invoked incorrectly as though he himself rose from rags to

riches but that arc applied to his characters not to the author Essentially all of Alger s novels share the same theme a young boy struggles through hard work to escape poverty Critics however are quick to point out that it is not the hard work itself that rescues the boy from his fate but rather some extraordinary act of bravery or honesty which brings him into contact with a wealthy elder gentleman who takes the boy in as a ward The boy might return a large sum of money that was lost or rescue someone from an overturned carriage bringing the boy and his plight to the attention of some wealthy individual It has been suggested that this reflects Alger s own patronizing attitude to the boys he tried to help *Making his Way* Jr. Horatio Alger,2017-06-20 Many of the villains in his books are rich boys who never had to make any effort to improve their character Alger s main point was that striving for success is not just to get a fortune but could give us tenacity discipline frugality and optimism qualities which cannot be bought **Making His Way Home** Kathryn Springer,2013-04-01 A Wisconsin pilot must face the life and love he left behind in his home town in this inspirational romance You Can Go Home Again The only thing Cole Merrick wants to do with the Mirror Lake property he inherited is sell it And the sooner the better The handsome pilot has no attachment to the place where he and Grace Eversea fell in love years ago He never meant to break his promises or her heart when he left town without a word Now just in time for Mirror Lake s 125th birthday celebration he comes face to face with all he left behind including Grace And he wonders if he ought to give this town a second chance If only he can convince Grace to do the same for him Gideon: Or, the Humble Christian Making His Way Through Difficulties ... to Heaven ...
