Billy Graham Curtis Mitchell,1966 **Billy Graham and the Beloved Community** Michael G. Long,2016-04-30 This study is the first detailed analysis of Billy Graham s social thought during one of the most volatile periods of American history the Martin Luther King Jr years 1955 1968 Using previously unpublished documents this book argues that although the popular evangelist occasionally supported King s mission to save America he largely opposed King s vision of the beloved community and his tactics of civil disobedience The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity he never dreamed of nor worked for a world marked by lasting racial reconciliation economic justice and peace **The Making of a Billy Graham Crusader** Curtis Mitchell,1966 **Finding**

The Lord's Radio Mark Ward Sr., 2017-07-19 Evangelical Christianity the faith professed by one in four Americans exerts an enormous influence in American society Believed by some to have originated as a reaction to the social revolution of the 1960s evangelicalism as a distinct subculture in fact dates to the advent of radio The evangelical faithful flocked to the airwaves developing a nationwide mass culture as listeners across denominational lines heard the same popular preachers and music Evangelicals left behind the fundamentalism of the early 20th century as broadcast ministries laid the foundation for the culturally engaged New Christian Right of the late 20th century This historical ethnography presents the era's major radio evangelists and songwriters in their own words drawing on their writings and recordings as well as songbooks liner notes and song story anthologies of the period

provides the impetus for the extension of the revival from three to eight weeks During that time he courts a young lady who works for William Randolph Hearst and she encourages Hearst to promote Billy Graham The young lady s roommate becomes involved with a member of the Communist Party USA and the wire tapper Jim Vaus who also makes a decision for Christ The amazing story of Billy Graham s rise to international prominence is told through the eyes of this young couple In spite of their different goals she wants to be successful in Hollywood and he wants to enter the ministry they realize that the Spirit has also worked in their lives to bring them together The Fifties Douglas T. Miller, Marion Nowak, 1977 Surveys the social cultural and political history of the United States during the decade of the 1950 s *Secrets of a Happy Marriage* Dr. Joseph H G Wint, 2018-03-01 *Secrets of a Happy Marriage* says exactly what the title means a marriage that is happy and a marriage made in heaven With divorce so rampant today it is rare to find happily married couples with 50 years of love The book begins with the six Greek words that define love It moves to Joye s story in Jamaica then Joe s story in beautiful Jamaica then their marriage story in New York Stories of the children at Harvard and Cornell Universities are also included The adventures of Joe and Joye are highlighted as they travel to London Scotland Rome South Africa They topped off their travels with a cruise on the Queen Elizabeth the world s most glamorous ship The heart of the book focuses on one verse of scripture Husbands love your wives just as Christ also loved the church and gave Himself for her Eph 5 25 Joe s response to that command is How can I a sinful man love my wife as Christ loved the church That is a question that sincere men ask themselves The answer you are seeking is in this book **Evangelism** John Mark Terry, 1998-10-15 Ministers and other speakers will discover a wealth of illustrative and inspirational messages for sermons and every day living **Glossolalia and the Problem of Language** Nicholas Harkness, 2021-03-19 Speaking in tongues also known as glossolalia has long been a subject of curiosity as well as vigorous theological debate A worldwide phenomenon that spans multiple Christian traditions glossolalia is both celebrated as a supernatural gift and condemned as semiotic alchemy For some it is mystical speech that exceeds what words can do and for others it is mere gibberish empty of meaning At the heart of these differences is glossolalia s puzzling relationship to language *Glossolalia and the Problem of Language* investigates speaking in tongues in South Korea where it is practiced widely across denominations and congregations Nicholas Harkness shows how the popularity of glossolalia in Korea lies at the intersection of numerous often competing social forces interwoven religious legacies and spiritual desires that have been amplified by Christianity s massive institutionalization As evangelicalism continues to spread worldwide *Glossolalia and the Problem of Language* analyzes one of its most enigmatic practices while marking a major advancement in our understanding of the power of language and its limits From a Ministry for Youth to a Ministry of Youth Ruth Lukabyo, 2020-09-30 At a time of unprecedented secularization and declining church attendance youth ministry in the twenty first century should be doomed So why is Protestant youth ministry in Sydney vibrant and in many places growing This book sets out to answer this question which is of such importance for the future of the Australian

church A pioneering model of youth ministry evolved in the 1930s and was already flourishing in churches schools and university by the 1950s Its early high point was the Billy Graham Crusade of 1959 which may legitimately be seen as an Australian youth revival The new model broke with past practice by cultivating ministry leadership by young people by promoting peer groups to nurture and share faith and by fostering ministry collaboration between young men and women The model used by theological conservatives and liberals alike and has proved both enduring and fruitful This book will engage with the model of youth ministry and the religious experiences of young people in Sydney By reading it you will not only learn from the significant achievements of young people in the past but be better equipped to creatively consider new methods of ministry for the twenty first century *From Grace to Glory*. . . Naomi Ruth Jones Kilpatrick,2017-04-04 This book chronicles a life long journey of stunning and tragic events It took some five plus years of a backward glance to describe that journey It begins within the doors of a small seemingly insignificant church on the south side of Chicago where ordinary people did extraordinary things a little assembly of believers gathered together in the Lord s name The church had been founded by an icon a giant in the Christian community named B M Nottage who started along with his brothers several assemblies in Chicago Detroit Cleveland and other cities This book *From Grace to Glory* gives a vivid picture of the marvelous grace of God and his unbounded unlimited mercy through great tragedy and devastating losses Read the shocking unpleasant history of this little church and its resilience through it all Laugh out loud in *A Little Bit About A Lot of Things* as you look at Bob Hope s jokes and Mae West s one liners Read the jaw dropping *You in six words* from Oprah Winfrey Go back to another era of great books outstanding movies and awe inspiring music Share in the great pride of cultural icons who contributed so much to our country and ultimately to the whole world Don t miss the chapter on the Onslaught of Nines where you will discover unknown facts or surprising facts or maybe not new facts or just affirmation for the people places and things You will wonder what is the *Fine As Wine* In the Summertime chapter all about And then this book gives a vivid picture of the great love and the deep ties of family a family with an ancestor who could not read or write but amassed a fortune in land and property Love of family runs through this family whether you are rich and famous or poor and needy or somewhere in between All families can affirm this but this book tells it in a different way in a different format By reading *From Grace to Glory* *A little Bit About A Lot of Things* we are reminded of what is important in life We are encouraged by the dear ones who have gone on before us We can build on that strong love that strong foundation that has been left and we can trust our God to take us from His grace to His glory as we continue on life s journey *LIFE* ,1957-07-01 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use [Rough Country](#) Robert Wuthnow,2016-04-05 How the history of Texas illuminates America s post Civil War past Tracing the intersection of religion race and power in Texas
