Wisdom Trevor Curnow, 2015-05-15 There is no fool like an old fool the saying goes What is it about wisdom that sets it apart from mere intelligence What is that elusive difference between a simple grasp of the facts and profound understanding Wisdom has fascinated the human race for thousands of years philosophers are notorious for being in love with it and for centuries writers have tried to capture its essence in proverbs and fables In this book Trevor Curnow provides an accessible introduction to wisdom and the many ways we have thought about and tried to achieve it throughout history Drawing on examples from a diversity of eras and places from ancient Egypt to medieval Europe to modern Africa Curnow explores the ways we have sought to overcome the problems posed by our existence such as love and death with a steadfast wisdom He shows how many cultures have attributed wisdom to deities such as Apollo Odin and Sarasvati and how especially we have placed it within the vehicle of the proverb which has safeguarded its lessons throughout time and across cultures Including a collection of one hundred sayings that offer a rich record of wisdom's reification this history gives new insight into what wisdom actually is and where we might find it

Indian Knowledge System in 21st Century: Tradition Meets Innovation edited by Dr. Nandini Sharma & Dr. Aarti Chopra Dr. Nandini Sharma, Dr. Aarti Chopra, 2025-07-31 The Indian Knowledge System IKS is not just a repository of historical facts or ancient rituals it is a living breathing framework that continues to shape India's intellectual scientific cultural and spiritual ethos The 21st century has witnessed a resurgence of interest in IKS not only as a matter of heritage but also as a vital contributor to global discourse in sustainability innovation and ethical leadership This book Indian Knowledge System in 21st Century Tradition Meets Innovation is a collective effort to explore how time honored Indian traditions intersect with contemporary challenges and opportunities It traverses through various themes from the scientific acumen of ancient India to managerial insights from the Bhagavad Gita from the rich cultural traditions that foster resilience and identity to leadership styles rooted in our epics and scriptures

The World of Proverb and Parable Edwin Paxton Hood, 1885

Fables, Sermonettes, and Parables by the Stricker, 13th Century German Poet, in English Translation Stricker, 1999 The thirteenth century poet who used the pseudonym Der Stricker The Knitter is the earliest known composer of fables sermonettes and parables examples of Kleindichtung in the German language Some of the Stricker's fables and parables are as far as is known original with him others are new variants of works that had appeared in other lands and languages The sermonettes are typical examples of what might be called the folk theology of the day drawing on oral tradition rather than directly on the Scriptures In his verse tales the author proves to be a keen often harsh social critic providing a realistic often cynical picture of medieval society that stands in sharp contrast to the romanticism of nearly all German literature of his century This is the first collection of The Stricker's short narratives in English translation
