Purpose Of Physical Reality The Kingdom Of Names:

The Purpose of Physical Reality John S. Hatcher, 2005 Why do spiritual beings human souls begin their lives in the physical world According to well known Baha'i author scholar and educator John Hatcher the world is a classroom designed by God to instigate and nurture mental and spiritual growth The Purpose of Physical Reality examines the components of this classroom to show how everyday experience leads to spiritual insight Viewing life in this way we can learn to appreciate the overall justice of God's plan and the subtle interplay between human free will and divine assistance in unleashing human potential The idea of physical reality as a divine teaching device not only prepares us for further progress in the life beyond it also provides practical advice about how to attain spiritual and intellectual understanding while we are living on earth

The Purpose of Physical Reality Dr. John Hatcher, 1987-01-01 An examination of the Bah'i writings **Historical Dictionary of the Baha'i Faith** Hugh C. Adamson, 2006-12-21 Growing out of the teachings of the Báb who introduced the idea of the coming of a great prophet the one promised in the scriptures of all the world's major religions the Bah Faith was founded by Bah'u'lláh when in 1866 he publicly declared that he was the One the Báb prophesized The 2nd edition of the Historical Dictionary of the Bah Faith presents a general historical overview of both Báb and Bah religions as well as a theological overview of the Bah Faith from their inception in the mid 19th century to the middle of 2005 It presents biographical details of the Founders and Central Figures along with numerous leaders and pioneers most of the basic principles and precepts as well as aspects of its organization and administration Through the use of photographs a list of acronyms a chronology an introductory essay a bibliography hundreds of cross referenced dictionary entries on nearly every aspect of the religion and appendixes listing the genealogy of the Founders statistical information and lists of apostles disciples Hands of the Cause Knights of Bah'u'lláh as well as of more than 930 believers who have contributed to its growth and development this book is a fundamental tool for finding information on all things related to the Bah Faith **What Comes After Nations?** Harvey Garver, 2018-06-30 WHAT COMES AFTER NATIONS The right question for these turbulent times Much of this turmoil is a result of the conflict between nations around the world Nations and nationalism are the most recent form of governance however while their numbers and sovereign powers increased over time in today's world every nation's sovereignty is under assault by powerful global forces Humanity's history is not just a collection of chance events but instead a long series of focused episodes that saw societies advance from wandering hunter gatherers back in the Stone Age to farmers to developers of cities empires and nations Harvey Garver explores how humanity's development has been motivated guided and energized by the world's orthodox religions and explains how The Baha'i Faith and its belief in Progressive Revelation reveals a new spiritual principle leading to a burgeoning worldwide society with peace and prosperity for all humanity Our ever advancing civilization is leading us beyond our current immature and turbulent world eventually and inevitably climaxing with the development of God's Kingdom on Earth as the mature ultimate and highest level of society

Close Connections John S. Hatcher, 2005 Close Connections will appeal to anyone interested in spirituality and its link to everyday life For more than twenty five years John Hatcher has studied the nature and purpose of physical reality by exploring the theological and philosophical implications of the authoritative Baha i texts His latest book explains how the gap between physical and spiritual reality is routinely crossed and describes the profound implications that result from the interplay of both worlds

The to Z of the Bahá'í Faith Hugh C. Adamson, 2009-08-20 apostles disciples Hands of the Cause Knights of Baha u llah and more than 930 believers this book is a fundamental reference tool for the Baha i Faith Book Jacket

Adam's Wish Qurrat al-'Ayn, John S. Hatcher, Amrollah Hemmat, 2008 Tahirih the remarkable poetess of nineteenth century Persia penned many poems that were either thought to be lost or remained untranslated This outstanding volume contains a number of previously unpublished and largely unknown poems both in their original calligraphy and in English Many of these poems relate to Tahirih s spiritual beliefs She often refers to Adam the first Prophet of God and the Prophets of the past to reveal her insights into the process by which God empowers his messengers to educate humanity It is through this process that the wish of Adam and all the Prophets of the past to witness the day when humanity will reach its full spiritual potential is fulfilled Tahirih announces that day has now come
