

RADIATING CHRIST

Dear Jesus, help us to spread Your fragrance everywhere we go. Flood our souls with Your Spirit and Life. Penetrate and possess our whole being so utterly that our lives may only be a radiance of Yours. Shine through us and be so in us that every soul we come in contact with may feel Your presence in our souls. Let them look up, and see no longer us, but only Jesus! Stay with us and then we shall begin to shine as You shine, so to shine as to be a light to others. The light O Jesus, will be all from You; none of it will be ours. It will be You, shining on others through us. Let us thus praise You in the way You love best, by shining on those around us. Let us preach You without preaching, not by words but by example, by the catching force, the sympathetic influence of what we do, the evident fullness of the love our hearts bear for You.

Amen

Christ Alive in Me: Living as a Member of the Mystical Body Fr. David Meconi, S.J., 2021-08-16 It is no longer I who lives but Christ who lives in me Galatians 2:20 Giving God permission to dwell within us thereby transforming us into another incarnate son or daughter has been at the heart of the Christian Gospel for millennia It is not just one theological doctrine among many it is the ultimate goal of the entire Christian life The only goal in God's becoming human is to continue his life in ours In Christ Alive in Me Living as a Member of the Mystical Body Fr David Meconi S J explains the theology of Christian deification which is also the theology of the Mystical Body of Christ Although this radical aspect of the Gospel has been forgotten by many today Meconi seeks to reclaim this central truth and uncover what it means live with in and even as Christ Discover what it is to become other Christs living extensions of the Lord himself to become his eyes and ears his heart and words his hands and feet on earth

The Myth of Happiness Rich Wagner, 2009-08-30 What is joy What isn't joy And most important how can we experience it After all isn't that what we long for something that goes beyond a smiley face and takes hold of the fullness Jesus promised his followers C S Lewis said he was surprised by joy but the reality is that most Christians today are just plain confused by it While paying lip service to joy we replace it in favor of a cheap substitute happiness In *The Myth of Happiness* Rich Wagner dispels our misconceptions and reveals the true nature of biblical joy He wrestles honestly with the tough questions many of us wonder but haven't known how to ask Is joy anything more than a plastic smile Can we experience joy while battling fear and uncertainty Are Christians honestly expected to count it all joy rejoicing in the midst of turmoil and tragedy Can real joy possibly live up to the hype Joy transforms It's God's most tangible gift available to believers this side of heaven Wagner debunks the myth of happiness and helps us receive the unquenchable joy Christ promises

The Art of Being Human William McNamara, 2018-09-03 In *THE ART OF BEING HUMAN* Father McNamara has taken a new vital approach to effective socially oriented Christian living in tune with the needs and demands of our times He takes for his theme the basic traditional truth grace builds upon rather than destroys human nature and develops this theme with extraordinary understanding and eloquence The first chapter *Becoming Human* sets the tone of the book For Father McNamara the sanctifying process is the humanizing process and the way by which one can cultivate the

art of being human within oneself He then probes into the very roots of the conditioning processes which daily shape our lives and poses for the reader some incisive questions which demand reflection and inner search Discussions on faith hope love religion mental prayer and spiritual growth follow The final chapters on leisure and leadership are especially provocative since they direct the reader's attention to where the responsibility for the self accomplishment of this art truly lies Father McNamara has the knack of putting his finger directly on the problems of today's living THE ART OF BEING HUMAN does not pretend to have all the answers but it goes a long way toward taking the reader in the right direction Here is a book to read to ponder and to act as its message challenges us to do Magnificat
