## Radical Christian Living:

*Radical Christian Living* Richard Booker, 1985-03-01      Radical Christian Principles Matthew Sadiku, 2024-05-15 In our day of moral confusion men and women and young and old desperately need to understand what the Bible teaches about Christian living Christians are often one of the obstacles preventing unbelievers from accepting Christ into their lives People reject Christianity when they observe that those who profess to follow Christ do not live and love the way He did The Christians follow religious traditions instead of following in the footsteps of their Master As believers we should be the drivers of our own lives We have to stand up for what we believe in even when we might not be popular for it      **The Radical Disciple** John Stott, 2021-04 What does it mean to follow Jesus wholeheartedly John Stott unpacks radical discipleship in his final book      *Reflections on the Gospel* John Michael Talbot, 1986      *CHRISTIAN LIVING* R. Lobo,2004-09-28 Among all the theological disciplines perhaps moral theology has felt the impact of the conciliar renewal most There has been a mass of excellent literature calling for a synthetic presentation At the same time a more flexible and dynamic ethic based on the Gospel values of love and freedom while it has undoubtedly deepened the Christian life of many has also caused not a little confusion in the minds of many There are endless discussions on burning issues like contraception and abortion which often do not end in any satisfactory conclusion because the general principles for ethical decision are not clear There is also a polarization between conservatives and progressives which leaves the neutral observer puzzled This book is written to clarify the basic issues in Christian ethics in an age of secularism and pluralism Although it can be taken as a treatise on General Moral Theology this book is addressed to a wider audience than students of theology It is meant to be a guide to Christian Living according to Vatican II It seeks to transcend the unfortunate dichotomy between moral and spiritual theology as the Council clearly wanted when it spoke of the subject of moral theology as the Christian vocation of the faithful and their obligation to bring forth fruit in charity for the life of the world While discussing the basic principles of Christian ethics the main preoccupation has been to discover an approach to moral decision that would safeguard all the moral values in a given situation The broad orientations for moral guidance today have been brought out in several places Special attention has been given to the question of moral absolutes as it is central to ethical discourse now The ecumenical spirit common preoccupations and a shared respect for the Word of God have brought Catholic and Protestant moral theology closer Hence an effort has been made to have a dialogue with the theologians of the Reformed tradition The strong influence of Protestant ethical writers on current Catholic moral theology has been brought out      *Radical Christian Living* Matthew Sadiku,2020-03-21      *Stott on the Christian Life* Tim Chester,2020-05-07 John Stott was a twentieth century pastor theologian widely hailed for his heart for missions and expository preaching Even today Stott s legacy continues to influence churches around the world As both a faithful preacher and a thoughtful writer Stott profoundly shaped evangelicalism s contemporary understanding of Christianity through an approach to the Christian life founded on the word shaped by the cross and characterized by the pursuit of Christlikeness in every area of life Tim Chester invites a new generation of readers to experience the Christian life as John Stott envisioned it not simply a theological puzzle to be solved but the daily practice

of humble service and compassion found in the gospel of Jesus Christ      Undivided Rick Calloway,2015-07-17 Undivided is a book specifically written for Christians who desire to live for Christ without any reservation The book details a biblical plan for what God intended the Christian life to truly be about When we became Christians we made the conscious choice to follow God with every aspect of our lives That decision to follow Christ should be nurtured and protected to keep the world from drawing our hearts away from God Author Rick Calloway challenges Christians to live with an undivided heart and loyalty toward God Undivided gives clear biblical principles and a road map for keeping our hearts pure toward God The book is detailed and specific regarding Gods desire that we live with undivided hearts toward him It also provides a look at how we are to approach our faith our family our finances and the entirety of our lives in relation to Gods plan for our life Undivided will inspire you to raise the standard of what your Christian life should be about The book also will give you insight and hope into a better way to live our lives The book establishes that the main desire of every Christian should be as Matthew 22 37 says to love the LORD your God with all your heart all your soul and all your mind More than anything Follow the Leader provides great hope and encouragement for Christians to know that God has great plans in store for them if they will be intentional in committing their lives to him      **Hope for the Oppressor** Patrick Oden,2019-07-26 The liberating

work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg J rgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community

*Rationality, Humility, and Spirituality in Christian Life* Dennis Hiebert, 2020-02-27 As Euro American culture turns resolutely away from religiosity toward spirituality and becomes increasingly post Christian the ordinary everyday practice of Christian life is ever more questioned and in need of scrutiny In this interdisciplinary analysis Christians are first called to comprehend the excessive rationality that modernity has built into both the cognitive and organizational structure of contemporary Christian life They are then summoned to personify an authentic attitude of humility and in particular the virtue of intellectual humility that is most challenged and tested by religious convictions Going forward Christians are subsequently invited to live their faith more as an internally differentiated and open spirituality rather than an externally determined and regulated religiosity When we exhaust our rationality and are confronted with its limitations we are humbled by our finitude and animated by our spirituality
