R. Hill,1985 **Cold War Warriors** Ian Pearson,2021-09-01 Cold War Warriors tells the little known story of the operations by the Royal Australian Air Force s P 3 Orions during the latter years of the Cold War The aircraft s largely low profile missions usually flown far from their base were often shrouded by confidentiality Now access to declassified documents has allowed this story to be told From the lead up to their delivery in 1968 to the end of the Cold War in 1991 from the intrigues associated with the procurement of the aircraft and subsequent upgrades to perilous moments experienced by the aircraft and their crews while conducting operations and from triumphs to tragedies Cold War Warriors documents the P 3 s service in the RAAF in the context of the unfolding domestic and international events that shaped the aircraft s evolving missions As well as being a story of the RAAF Orions and their growing capabilities Cold War Warriors is also the story of the crews who flew the aircraft Using their words Cold War Warriors faithfully describes a number of incidents both on the ground and in the air to provide a sense of the enormous breadth of service the P 3 Orion has provided to the Royal Australian Air Force to Australia and to our allies *The Aeroplane and Astronautics* ,1960 Flight ,1909 The Official Illustrated History of RAF Search and Rescue Paul E Eden,2020-07-09 In February 2016 the RAF s Search and Rescue Force SARF celebrated its 75th anniversary In June that year the world renowned and universally admired service was officially disbanded despite attempts from many including HRH Prince William to save it as part of the RAF This book is an official fully illustrated in depth account of the SARF s rich and glorious history from its origins in World War II through to its recent withdrawal The book contains a foreword by HRH Prince William himself plus action packed and awe

inspiring photographs from the RAF's archive of photographs and exclusive interviews with former crewmembers telling their own dramatic stories of derring do Officially endorsed by the RAF An Illustrated History of the RAF Search and Rescue Force is the first and probably the only major book of its kind written on this subject It is an essential purchase for anyone with an interest in military history British history the Royal Family and those who love stories of extreme and daring rescue missions
