## **Rafael Nadal:**

Rafa Rafael Nadal, John Carlin, 2011-08-23 In his memoir written with award winning journalist John Carlin tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success What makes a champion What does it take to be the best in the world at your sport Rafael Nadal has the answers It begins in Mallorca where the tight knit Nadal family has lived for generations Coached by his uncle Toni from the age of four and taught humility and respect by his parents Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious hardworking role model for people in all walks of life Now he takes us behind the scenes from winning the Wimbledon 2008 final described by John McEnroe as the greatest game of tennis he had ever seen to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career With candor and intelligence Nadal brings readers on his dramatic and triumphant journey never losing sight of the prize he values above all others the unity and love of his family From RAFA During a match you are in a permanent battle to fight back your everyday vulnerabilities bottle up your human feelings The more bottled up they are the greater your chances of winning so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival The gap in talent with Federer existed but it was not impossibly wide It was narrow enough even on his favorite surface in the tournament he played best for me to know that if I silenced the doubts and fears and exaggerated hopes inside my head better than he did I could beat him You have to cage yourself in protective armor turn yourself into a bloodless warrior It's a kind of self hypnosis a game you play with deadly seriousness to disguise your own weaknesses from yourself as well as from your rival **Rafa Nadal** Dominic Bliss, 2022-07-05 Rafa Nadal The King of the Court is an illustrated biography of one of tennis all time greats and winner of an historic 21 Grand Slam titles a telegenic charismatic sportsman with worldwide appeal **The Warrior** Christopher Clarey, 2025-05-13 From the New York Times bestselling author of The Master comes an intimate biography of tennis's enduring champion Rafael Nadal In The Warrior Christopher Clarey illuminates the skill and determination it took to accomplish Rafael Nadal's most mind blowing achievement 14 French Open titles Nadal has won big on tennis's many surfaces en route to becoming one of the greatest players of all time securing two Wimbledon titles on grass and four U S Open titles on cushioned acrylic hardcourts But clay the slowest and grittiest of the game's playgrounds is where it all comes together best for his tactical skills whipping topspin forehand and gladiatorial mindset Clay is to Rafael Nadal what water is to Michael Phelps which helps explain one of the most impressive individual sports achievements of the 21st century Clarey draws on interviews over many years with Nadal and his team and with rivals like Roger Federer Not just a book about tennis The Warrior draws much wider lessons from Nadal's approach to competition Rafael Nadal Geoffrey M.
