Drobyazko,2022-07-20 This is the true story of a young Red Army soldier during the Second World War told in his own words

his home city of Krasnodar after it is set ablaze by German forces Later Drobyazko is captured by the Germans and placed in
a concentration camp where prisoners are reduced to eating scavenged rubbish and bathing battle wounds in urine After a
daring escape from the camp he enters service once more rising to the rank of sergeant in an infantry regiment During this
time he witnesses the execution of deserters and the routine ill treatment of German prisoners of war by vengeful Soviet
troops After surviving an attack that decimates his detachment Drobyazko is almost court martialled Seriously wounded in
1944 he retrain as a radio operator but he never returns to the war front In this gripping memoir Drobyazko sets down his
experience of the war as it unfolded around him He claims to have consulted no historical sources and to have simply relied
