cigarette Perhaps no consumer item better symbolizes the economic political social and cultural dimensions of contemporary Italian history Starting around 1900 the new and popular cigarette spread down the social hierarchy and eventually during the 1960s across the gender divide For much of the century cigarette consumption was an index of economic well being and of modernism Only at the end of the century did its meaning change as Italy achieved economic parity with other Western powers and entered into the antismoking era Drawing on film literature and the popular press Carl Ipsen offers a view of the cigarette century in Italy from the 1870s to the ban on public smoking in 2005 He traces important links between smoking and imperialism world wars Fascism and the protest movements of the 1970s In considering this grand survey of the cigarette Fumo tells a much larger story about the socio economic history of a society known for its casual attitude toward risk and a penchant for la dolce vita

Boys Alive Pier Paolo Pasolini, 2023-11-07 A daring novel once widely censored about the scrappy harrowing and inventive lives of Rome's unhoused youth by one of Italy's greatest film directors Boys Alive published in 1955 was Pier Paolo Pasolini's first work of fiction and it remains his best known Written in the aftermath of Pasolini's move from the provinces to Rome the novel captures the hunger and anger waywardness and squalor of the big city The life of the novel is the life of the city streets from the streets too come its raw mongrel assaultive language Here unblinkered realism and passionate lyricism meet in a vision of a vast urban inferno blazing with darkness and light There is no one story to the book only stories splitting off breaking away going nowhere flaming out stories in which scenes of comic debacle bitter conflict wild joy and crushing disappointment quickly follow Pasolini's young characters have nothing to trade on except youth and the struggle to live is unending They loot hustle scavenge steal Somehow money will turn up as soon as it does it will get spent The main thing in any case is to have fun and so the boys boast and vie the desperate uncertainty of their days and nights offset by the fabulous inventiveness of their words A warehouse heist a night of gambling the hunt for sex The world of Boys Alive is a world in convulsion where at any instant disaster may strike Tim Parks new translation of Pasolini's early masterpiece brings out the salt and brilliance of a still scandalous work of art
