Rage Of Passion:

Rage of Passion Diana Palmer, 2025-02-11 A cool cowboy reignites the fire within a weary divorcee in this classic romance from a New York Times bestselling author A vacation at her godmother's ranch near Abilene would have been the perfect place for Maggie Turner to escape her ex-husband's threats Perfect that is if it hadn't been for Gabe Coleman Tall, lithe and lean he was just as blunt, rude and powerfully sensual as he'd been ten years ago His cold formality gave her the goose bumps And his icy blue eyes watched her like those of a hungry cat daring her to look beneath his savage surface She thought marriage had cured her of desire Then the raging passions of a Texas cowboy gave her a new lease on love First published in 1987

Wilderness by horrific circumstances that not only try our souls but seriously call into question our belief in God In life the smarter you are the more things can scare you but to fear is one thing and to let fear grab you around the tail and swing you around is another What difference does it make if the things you re scared of are real or not You need to navigate your way through fear to achieve your big dream The Israelites of the Old Testament were lucky They wandered in the wilderness for forty years Most of us stumble through trial terror and triumphs of life s terrain a lot longer usually until we re ready willing and able to come face to face with the truth about ourselves But we don t know we re worthy of success until we set out in search of the Promise Land In this book you will also get the insight to Know when to say no Live to fight another day Success is progress Dream big Go the extra mile Who is your role model The down fall of a man Life is a risk Give me another chance Don t give up Pride Goes before a fall Courage to excel Dwelling in Possibilities Making a difference in a chaotic World and many more Get your copy now you will be glad you did There are moments that have made a difference in the trajectory of your life the successes and failure that have define you the loves and hates gains and losses promises and pain that have bound you the risks and ruins tumults and triumphs that set you free This is a unique book indeed Starlight Organization Hon George Adioni Sinclair says learn how to say I am sorry even if you are right If this message offends you in one way or the other I am sorry My apologies Reverend George Blessing
