Boot Anger RD king, Controlling your emotions Get All The Support And Guidance You Need To Be A Success At Beating Anger Are you currently going through a stage in life where it seems like there is always something to be angry about If so you are not alone You would not believe how many people there are in the world that have a hard time controlling their anger from time to time Even people who are not usually angry people will likely come to a time in their life where the load is too much and they find themselves becoming more and more irritable day by day Anger is an emotion but a lot of people are unaware of the fact that anger is actually a secondary emotion By this I simply mean that in order for you to feel angry there has to be some other emotion that comes first which triggers the anger Two of the most common emotions that lead to anger would be fear and depression The two combined would almost surely lead to a person who is not able to control their anger Even though anger is a secondary emotion it is still an emotion and if used correctly it can wield some advantages for you You need to learn how to control your anger I understand that this is something that is much easier said than done However if you approach dealing with your anger with the right set of tools you will surely be successful The following chapter of this book will go over some techniques that may be helpful for you when you are trying to control your anger and other emotions This book will also go over other elements of anger such as its roots and where it is truly stemming from Anger Basics Understand How Fear Can Lead to Anger Understand How Depression Can Lead to Rage Simplifying Your Life Using Meditation Using Good Communication And so much more **Shakespeare in Hate** Peter Kishore Saval,2015-12-07 Hate malice rage and enmity what would Shakespeare s plays be without these demonic unruly passions This book studies how the tirades and unrestrained villainy of Shakespeare s art explode the decorum and safety of our sanitized lives and challenge the limits of our selfhood Everyone knows Shakespeare to be the exemplary poet of love but how many celebrate his clarifying expressions of hatred How many of us do not at some time feel that we have come away from his plays transformed by hate and washed clean by savage indignation Saval fills the great gap in the interpretation of Shakespeare s unsocial feelings The book asserts that emotions as Aristotle claims in the Rhetoric are connected to judgments Under such a view hatred and rage in Shakespeare cease to be a blinding of judgment or a loss of reason but become claims upon the world that can be evaluated and interpreted The literary criticism of anger and hate provides an alternative vision of the experience of Shakespeare s theater as an intensification of human experience that takes us far beyond criticism s traditional contexts of

character culture and ethics The volume which is alive to the judgmental character of emotions transforms the way we see the rancorous passions and the disorderly and disobedient demands of anger and hatred Above all it reminds us why Shakespeare is the exemplary creator of that rare yet pleasurable thing a good hater
