Benjamin Beit-Hallahmi

Raging Of The Sea:

Raging of the Sea Charles Gidley,1985 The Deep Things of God Thomas Pulickal,2020-03-03 This book unfolds the eternal truths about the kingdom of God through the eight parables described in the gospel of Matthew chapter 13 emphasising Christ as the person of the fulfilment of all the types shadows figures pictures symbols illustrations patterns events feasts ceremonies rituals sacrifices people promises prophecies and even the various laws of the old covenant These parables expose the three fold aspect of the judgement by which the old covenant remains completely abolished The first was when Christ crucified Adam in His body of flesh and separated Adam from Himself The second was when Christ as the Son of Man appeared in judgement over the nation of Israel and the temple in A D 70 through the Roman army destroying the entire old covenant system The third is the subjective experience of the objective reality of Christ s death to be manifested in each one of us personally through the new birth when we identify ourselves with Him by bearing His death and live by His life All the Parables concern themselves with the kingdom of God which is a spiritual kingdom formed within us when our created or soulish life is replaced with the divine life of God in Christ Jesus Since only Christ lives in His kingdom He invites us to live in and by Him who alone is the life thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam the living soul or the realm of death into Christ the life giving Spirit or the realm of life The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind irrespective of denomination caste colour creed and nationality live in and by the life of the One who died and rose for them establishing them in the Father The Raging Sea Dennis M. Achtemeier,2008-01-01 Working with selected miracles of Jesus from the canonical Gospel traditions and with background studies in the general understanding of miracles in the Greco Roman world of the Hellenistic period this collection of essays shows how we may understand the theological reasons why the early followers of Jesus included these stories in their traditions that constituted the canonical Gospels Using individual stories from the Gospels three of the essays demonstrate how literary critical analysis can show the theological intent of the miracle story A second set of three essays examines the way Mark and Luke view the miracle tradition within their larger task of writing the story of Jesus A final set of three articles examines the Hellenistic background of such stories and the way they were used in secular and Jewish sources to gain perspective on what the early Christians intended with the miracle stories of Jesus **The Prophet Jonah; His Character and Mission to Nineveh** Hugh MARTIN (of Edinburgh.),1866 **The Essential Works of R. Interpreting Child Sacrifice Narratives Benjamin Beit-Hallahmi, 2023-03-23 Examining the theme of child sacrifice as a psychological challenge this book applies a unique approach to religious ideas by looking at beliefs and practices that are considered deviant but also make up part of mainstream religious discourse in Judaism Islam and Christianity Ancient religious mythology which survives through living traditions and transmitted narratives rituals and writings is filled with violent stories often involving the targeting of children as ritual victims Christianity offers Abraham s sacrifice and assures us that the only begotten son has died and then been resurrected This version of the sacrifice myth has dominated the West It is celebrated in an act of fantasy cannibalism in which the believers share the divine son s flesh and blood This book makes the connection between Satanism stories in the 1980s the Blood Libel in Europe The Eucharist and Eastern Mediterranean narratives of child sacrifice

The Penny Pulpit, 1859 Dare to Be a Daniel Amos Olutola Fadiran, 2021-07-07 An awakening call to all Christians to prove the omnipotence of our God to the world as we manifest excellent wisdom provide solutions to teething national and international problems and carry out spectacular exploits that would compel unbelievers to fear God acknowledge His sovereignty bow down to worship His majesty and come to the realization that the Most High God rules in the kingdom and affairs of men This is the challenge that the life and ministry of Daniel pose to Christians today Imagine a scenario where the king of the most powerful and dreadful nation of that time fell down prostrate before the young captive Daniel The king literally idolized him

ordered that an offering of incense be made to Daniel and exclaimed reverently Truly your God is the God of gods the Lord of kings and the Revealer of Secrets All these happened because to the utter dismay of king Nebuchadnezzar Daniel through prayer and God's gifts revealed and interpreted the king's untold dream By this feat Daniel and his friends were greatly promoted while God's name was highly glorified and honoured God made them to excel far above their colleagues This book further makes us to appreciate that with an adequate knowledge of our God a readiness to please Him by keeping ourselves pure a rugged faith and an unwavering loyalty to Him there is no limit to which God can use our lives and ministries to prove His majesty just as He did through Daniel and his companions By manifesting these traits the burning furnace was turned to an air conditioner and the mouths of dreadful lions were locked This book encourages Christians from all walks of life to prayerfully demonstrate these traits as Daniel did so that we can impact the world around us positively for God This book is an expository on how Christians can receive divine guidance regularly and specifically as it carefully unveils the requisite processes e.g. through God's Word by Spirit-filled Counsellors and overwhelmingly by the Holy Spirit The author shares his own practical experiences in these regards It reveals how parents can develop intimacy with their children that would enhance winning them for Christ and help them to fulfil destiny This is an inevitable book for all who desire excellence in life and ministry as it systematically details the divine steps for the attainment and maintenance of excellence in these respects The book should be a hot cake for genuine result-oriented intercessors as it uses Daniel's life to expound on how to become an excellent intercessor Through rugged faith in God coupled with unrelenting prayers a Christian can always emerge victorious over fierce trials and enemy gang-ups to bring glory to God's Name This book can be rightly described as a handbook for Christian youths as well as an important guidebook for all Christians Through the help of the Holy Spirit it offers in-depth details on how Christian youths can positively use their energy without manifesting youthful exuberance conduct themselves wisely in the fear of God do exercises towards righteousness be on fire for the Lord and yet be humble and obedient It shows how they can choose godly companions become responsible and respectable in the community and in the Church soar into prominence and fulfill their God-ordained destinies in life A reviewer described it as a book that is conceived from the womb of the Holy Spirit timely apt and heart-warming Another reviewer referred to it as an exquisite treasure a compendium of sorts from being a Bible study material a book replete with life-cum personal experiences a prayer manual and a visibly recognized Holy Spirit-inspired Ministry Instruction Manual The prayer box at the end of each chapter provides a set of prayers which if thoroughly applied would surely transform the reader into a Daniel in his or her operational base be it at home school work place church or the society at large

The Petese Stories II (P. Petese II) K. S. B.

Ryholt, 2006 This volume six of the Carlsberg Papyri series contains the edition of a new manuscript with Petese Stories from the Tebtunis temple library dating to the period around 100 AD The Petese Stories is a compilation of seventy stories about the virtues and vices of women The numerous stories were compiled on the orders of the prophet Petese of Heliopolis that

they may serve as a literary testament by which he would be remembered Petese was according to literary tradition Plato s Egyptian instructor in astrology The composition seems to have been modeled on the fundamental Myth of the Sun s Eye The overall structural pattern of the text is very similar to the Arabian Nights a frame story forms the introduction as well as the fabric into which the long series of shorter tales are woven Among the stories preserved in the new manuscript one is particularly remarkable in that it is known from a translation by Herodotus the so called Pheros Story *The Prophet Jonah, His Character and Mission to Nineveh* Hugh Martin,1866 **Excursions Towards Parnassus with Longings for Zion** Charles Alfred Humphreys,1915 **Insights on the Book of Daniel** Alan B. Stringfellow,2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God s Word to thousands of believers Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a verse by verse study of the book of Daniel Stringfellow s in depth teaching will bring clarity and understanding to one of the most misunderstood books in Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God s central message An overview of various interpretations of the book s imagery The role Daniel s prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John s prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God *The Complete Concordance to Shakspeare: Being a Verval Index to All the Passages in the Dramatic Works of the Poet. (New Ed.)* Mary-Cowden Clarke,1875 **Narrative Criticism of the New Testament** James L. Resseguie,2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible
