Ragtime To Wartime:

Ragtime to Wartime, 1995 **Virginia Woolf's Good Housekeeping Essays** Christine Reynier, 2018-07-11 In the mid twentieth century Virginia Woolf published Six Articles on London Life in Good Housekeeping magazine a popular magazine where fashion cookery and house decoration is largely featured This first book length study of what Woolf calls little articles proposes to reassess the commissioned essays and read them in a chronological sequence in their original context as well as in the larger context of Woolf's work Drawing primarily on literary theory intermedial studies periodical studies and philosophy this volume argues the essays which provided an original guided tour of London are creative and innovative works combining several art forms while developing a photographic method Further investigation examines the construct of Woolf's essays as intermedial and as partaking both of theory and praxis intermediality is closely connected here with her defense of a democratic ideal itself grounded in a dialogue with her forebears Far from being second rate the Good Housekeeping essays bring together aesthetic and political concerns and come out as playing a pivotal role they redefine the essay as intermedial signal Woolf's turn to a more openly committed form of writing and fit perfectly within Woolf's essayistic and fictional oeuvre which they in turn illuminate **The Guards came through and Other Poems** Arthur Conan Doyle, 2019-09-25 Reproduction of the original The Guards came through and Other Poems by Arthur Conan Doyle

Encyclopedia of Media and Propaganda in Wartime America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America's conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years [Collected Works of Sir Arthur Conan Doyle \(Delphi Classics\)](#) Sir Arthur Conan Doyle, 2013-11-17 Finally the great literary giant Sir Arthur Conan Doyle receives the scholarly Delphi Classics treatment This comprehensive eBook offers the most complete edition possible Sir Arthur Conan Doyle's works in the US Features the most complete edition possible due to US copyright restrictions annotated with concise introductions to the

Political Women Maggie Andrews, 2024-05-02

The lives of women changed immeasurably during the twentieth century not just because of technological and economic advances but as a result of a multiplicity of small and large local national and international political campaigns by women The activities of the Edwardian suffrage campaigns are the most well known example of this but in less well known political struggles women fought with equal tenacity sacrifice and inventiveness to demand for example equal pay analgesics for women and childbirth an end to virginity testing at airports or wages for housework This book focuses on 15 such campaigns and the thousands of women who sought to influence decision making exercise and challenge power in the twentieth century These political activities were sometimes small scale and short lived or seemingly unsuccessful but together they helped to bring about immeasurable changes in women s lives during the twentieth century With limited financial resources and hefty domestic responsibilities women have often chosen to pick their political battles very carefully Some fought for workers rights or the right to education some prioritised stopping male violence on the streets in the home or between nations others like Radcliffe Hall campaigned so women could define their own sexuality Women organised self help childcare rape crisis centres and peace camps They set up birth control clinics and women s refuges Ordinary women took on exploitive landlords immigration officers international companies local councils the media and successive governments A few of the hundreds of thousands of these political women like Maggie Wintringham and Nancy Astor were MPs others became local councillors However women s access to traditional areas of political power was limited even when Britain had its first woman prime minister in 1979 she was one of only 19 women MPs in parliament Consequently women sought other spheres of activity through which to fight for change using all the resources and imagination at their disposal to challenge injustice and abuse They employed deeds and words petitions and protests legal and illegal devices peaceful and violent strategies to further their political aims Their motivations and contributions were varied many made sacrifices to be involved in political battles but this book seeks to

celebrate some of these unsung heroines who tried to make a difference *British Theatre in the Great War* Gordon Williams,2015-12-31 *British Theatre in the Great War* deals with a theatrical phase customarily dismissed by those charting twentieth century developments What becomes clear is that assessment by unsuitable literary criteria has masked the importance of the war years in British theatrical history In avoiding a texts bias the book reveals a period of unsurpassed prosperity in which the stage s substantial contribution to the war effort is only one notable feature That it also saw the commercial theater s absorption of Continental avant gardeism by way of revue the last great epoch of music hall the rise of the Old Vic with a project in opera and Shakespeare and the unprecedented popularity of opera everywhere this was surely the most fruitful period of Thomas Beecham s theatrical career is compelling argument for revaluation In his reassessment of this period Dr Williams extensively examines scripts and press coverage providing a comprehensive overview from popular pantomime to the specialist work of the private stage as well as discussion of such issues as working conditions and censorship **Hollywood War Films, 1937-1945** Michael S. Shull,David Edward Wilt,2015-09-03 From 1937 through 1945 Hollywood produced over 1 000 films relating to the war This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents Part one entitled *The Crisis Abroad 1937 1941* focuses on movies that reflected America s increasing uneasiness Part two *Waging War 1942 1945* reveals that many movies made from 1942 through 1945 included at least some allusion to World War II *The Routledge History of the First World War* Paul R. Bartrop,2024-08-27 *The Routledge History of the First World War* is a work which in a single volume covers a range of major themes and issues relating to that conflict Providing a comprehensive but readily accessible reference work examining the First World War in accordance with a broad range of themes this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research often untouched in other studies of the war With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries across four continents the book is also intended to open lines of further inquiry from its solid base of academic knowledge The volume demonstrates the war s global and total nature examining the conflict in all major theatres and through the lens of the key combatants and neutrals It also fully engages with issues of race gender ideology and society during the war This book will appeal to students of all levels scholars and general readers alike interested in the First World War from several different perspectives and research areas The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World War *Freedom Music* Jen Wilson,2019-04-01 The stories within its pages will attract not only social and political historians but feminists jazz fans academics interested in African American cultural interchange and general readers fascinated by the cast of characters who played and danced to the music despite warnings from the pulpit that degenerate youth were destined for hell and damnation *Freedom Music* will enable readers to learn of an innovative side of Wales previously hidden from history The music appealed to Wales vibrant youth and those not part of the mainstream culture of

chapels choirs and male voice choirs This study highlights gender misogyny and discrimination within jazz music in Wales This studies focuses on the history of African American music in Wales Welsh women s contribution to jazz in Wales Cultural innovation by women entrepreneurs during and from the First World War African Americans at War Jonathan Sutherland,2003-12-05 A fascinating chronicle of the endeavors of African Americans who fought for their country this book recounts their stories their bravery and their contributions African Americans at War puts a human face on this neglected area of history From pre Revolutionary fighting against the French to cutting edge combat against Saddam Hussein these A Z volumes underscore significant military contributions from African Americans The two volumes provide comprehensive coverage of aspects including important historical figures key battles legislation and rulings honors awarded regiments formations and squadrons and significant places Individuals portrayed include celebrated Revolutionary hero Crispus Attucks and Lieutenant Vernon J Baker who led his platoon in a near suicidal attack on German positions in 1945 Often marginalized in support functions and frequently given suicidal missions African Americans have served with distinction and honor in all U S conflicts Their stories endeavors and bravery are now chronicled in one accessible resource This set investigates each war the interwar years integration periods and acceptance of African American men and women on the military team This is a fascinating compendium spanning all U S history The Show Must Go On! Popular Song in Britain During the First World War John Mullen,2016-03-03 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War Mullen considers the position of songs of this time within the history of popular music and the needs tastes and experiences of working class audiences who loved this music To do this he dispels some of the nostalgic rose tinted myths about music hall At a time when recording companies and record sales were marginal the book shows the centrality of the live show and of the sale of sheet music to the economy of the entertainment industry Mullen assesses the popularity and significance of the different genres of musical entertainment which were common in the war years and the previous decades including music hall revue pantomime musical comedy blackface minstrelsy army entertainment and amateur entertainment in prisoner of war camps He also considers non commercial songs such as hymns folk songs and soldiers songs and weaves them into a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war

The Show Must Go On! Popular Song in Britain During the First World War Dr John Mullen,2015-08-28 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War Mullen considers the position of songs of this time within the history of popular music and the needs tastes and experiences of working class audiences who loved this music To do this he dispels some of the nostalgic rose tinted myths about music hall At a time when recording companies

and record sales were marginal the book shows the centrality of the live show and of the sale of sheet music to the economy of the entertainment industry Mullen assesses the popularity and significance of the different genres of musical entertainment which were common in the war years and the previous decades including music hall revue pantomime musical comedy blackface minstrelsy army entertainment and amateur entertainment in prisoner of war camps He also considers non commercial songs such as hymns folk songs and soldiers songs and weaves them into a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war

British Christianity and the Second World War Michael Snape, Stuart Bell, 2023 Examines the role of Christianity in British statecraft politics media the armed forces and in the education and socialization of the young during the Second World War This volume presents a major reappraisal of the role of Christianity in Great Britain between 1939 and 1945 examining the influence of Christianity on British society statecraft politics the media the armed forces and on the education and socialization of the young Its chapters address themes such as the spiritual mobilization of nation and empire the limitations of Mass Observation s commentary on wartime religious life Catholic responses to strategic bombing servicemen and the dilemma of killing the development of Christian Jewish relations and the predicament of British military chaplains in Germany in the summer of 1945 By demonstrating the enduring even renewed importance of Christianity in British national life *British Christianity and the Second World War* also sets the scene for some major post war developments Though the war years triggered a resacralization of British society and culture inherent racism meant that the exalted self image of Christian Britain proved sadly deceptive for post war immigrants from the Caribbean Wartime confidence in the prospective role of the state in religious education soon transpired to be ill founded while the profound upheavals of war and even the bromides of BBC Religion were in the longer term corrosive of conventional religious practice and traditional denominational loyalties This volume will be of interest to historians of British society and the Second World War twentieth century British religion and the perennial interplay of religion and conflict

The Oxford W.E.B. Du Bois William Edward Burghardt Du Bois, 2007 **Metronome** , 1961 **America Ascendant** Dennis M. Spragg, 2019-12-01 *America Ascendant* vividly portrays the global crisis that brought the media and the government into an alliance that changed the course of American and world history President Franklin D Roosevelt organized an extraordinary partnership between the U S government and America s media outlets to communicate to the reluctant and isolationist American public the nature of the threat that World War II posed to the nation and the world The coalition s aim was to promote the concept of American exceptionalism and use it to galvanize the public for the government s cause *America Ascendant* details the efforts of many prominent individuals and officials to harness the collective energy of the nation and guide the United States throughout World War II then describes its aftermath and the Cold War period Dennis M Spragg demonstrates how the news and entertainment of American broadcasters such as David Sarnoff William Paley and

Elmer Davis helped rally the American people to fashion a new liberal democratic order to stop the global spread of Communism. This media government alliance, however, was not achieved without difficulty. Spragg highlights the competing visions and personalities that clashed as media and government leaders tried to develop the paradigm that ultimately shifted American cultural and political thought. Throughout this searching history, he sheds light on the underappreciated coordination between the media and the government to establish a liberal democratic world order and demonstrates why American exceptionalism still matters.

Right here, we have countless book **Ragtime To Wartime** and collections to check out. We additionally meet the expense of variant types and plus type of the books to browse. The normal book, fiction, history, novel, scientific research, as with ease as various additional sorts of books are readily comprehensible here.
