paragraphs from The Pacific World War 2 Maxwell was a very angry man so obsessed with hatred he could snarl at himself He needed to release it so he volunteered for every patrol On each patrol he would share the names of five men butchered during the sinking of the Hell Ship He still had his files he had taken from the Hell Ship After an attack he would go around to the wounded Japs saying SThis is for Sergeant Charlie Frank from California you helped murder on the Sinyo Maru Then he would cut out one of the Jap s eyes After he would go to the next Jap and say the name of the next man on his list The Japs would scream in terror for mothers many of them pissed themselves as he slowly moved the bloodied knife from one Jap s eyeball to the next Jap s eyeball He left them one good eye so they could share each comrade s pain while drowning in agony of torment and suffering Then he would go around the circle once again to each one and slit their throats SThe Japanese Army conquered parts of China in the 1930 s They took the capital city of Nanking in 1937 murdering over 500 000 Chinese POW and non combatants in the worst atrocity of the Pacific War They took the POW tied them to poles and used them for bayonet practice The idea was to give the greenhorn Jap soldiers the first taste for blood Then they would decapitate them and display the heads on bayonets as though they had a trophy Sometimes they got jollies by tying the soldiers up pouring gasoline on them and setting them on fire Next they went after the women and little girls gang raped over 50 000 killing most of them Some of the girls under the age of ten so badly damaged by continuous rape had hips dislocated so they could not walk The remaining guards herded one hundred and fifty Army and Marine POW into a tunneled air raid shelter they poured gasoline from several 45 gallon cans into the shelter and then set the shelter on fire The men in the front became screaming human torches forcing those of us at the back to the end of the shelter We could not breathe Some tried to escape out the front entrance Only to be machined gunned by Jap guards
