Regional Patterns of Foreign Investment in Russia Michael J. Bradshaw, 1995 *The Regional Distribution of Foreign Manufacturing Investment in the UK* Stephen Hill, Max Munday, 2016-07-27 The book considers the determinants of the regional distribution of foreign manufacturing investment in the UK The core theme of the book is that foreign firms coming to the UK seek in their location decision to minimise their costs of production This minimisation of production costs is constrained by the need to ensure that they are adjacent to their key markets whether these be in the UK or wider EC

Foreign Direct Investment and Regional Development in East Central Europe and the Former Soviet Union

David Turnock, 2017-11-28 With the achievement of further EU and NATO enlargement a critical political and economic lens is now focused on East Central Europe and to a lesser extent the other former communist states Economic growth in each transition state and more broadly the region pivots around the prospects for foreign direct investment FDI with decisions on where foreign investors will locate their projects now vitally important This book the first one devoted to a geographical survey concentrating specifically on FDI in the region brings together a wide range of prominent authors from the US and Europe including the late Frank Carter to provide a timely and critical examination of the importance of foreign investment It presents a detailed analysis of location patterns and their significance for regional development with particular emphasis given to the important socioeconomic and political consequences of uneven distribution of FDI across the region and its constituent countries Divided into two parts the book first deals with general overarching themes and issues before applying these to more specific country case studies The second part deals with regional studies focusing broadly on the Western Balkans and Bulgaria before looking at specific economic sectors in individual countries **Foreign Direct Investment**

and the Regional Economy Jonathan Jones, Colin Wren, 2016-04-15 The boom in foreign direct investment FDI since the mid 1980s continues to be paramount in policy interest This book reviews the literature on the nature of FDI and reports the recent results on the performance of FDI plants in order to show the implications for regional economic development It presents new evidence on the nature and performance of these plants using a unique dataset that has been constructed and rigorously analyzed by applying econometric techniques The role of FDI in economic development has long been poorly understood and this book contributes to improving understanding and is of direct policy relevance An examination is made of the generation theory and location of FDI as well as its implications for regional and national development In addition to this analysis is made of the issues at the project and plant levels related to investment employment and firm survival *Foreign investment in eastern and southern Europe after 2008*. Béla Galgóczi, Jan Drahokoupil, Magdalena Bernaciak, 2015-12-01 This book investigates the role that foreign direct investment FDI in central eastern and southern Europe has played in the post crisis period comparing patterns across countries and sectors An overarching objective of this publication is to assess the extent to which FDI can still be seen as a key driver of economic development modernisation and convergence for Europe s

low and middle income economies taking into account also the risks and limiting factors associated with FDI
