Secure Communications Hearing February 11 1997:

Secure Communications Vernon J. Ehlers, 1998-06 Hearing on the various types of security risks to communications systems such as privacy computer hackers electronic commerce encryption corporate espionage espionage by terrorists or foreign enemies security of telephone lines particularly security of cellular transmissions One area of major concern that receives virtually no publicity but which is very important particularly in the world of commerce government is the authenticity of the messages being transmitted *Summary of Activities of the Committee on Science and Technology, U.S. House of Representatives for the ...
