See Inside a Roman Town Jonathan Rutland,1995 Text and illustrations describe the layout important buildings and daily life of a typical Roman town **See Inside a Roman Town** Jonathan Rutland,1977-01 **See inside a Roman town** R. J. Unstead (ed),1986 **See Inside a Roman Town** R. J. Unstead,1986 *Life in a Roman Town* Jane Shuter,2005 In *Life in a Roman Town* discover how people lived in towns in the Roman Empire Look at the different buildings in the towns and what they were used for Learn about the houses Roman people lived in the clothes they wore and the food they ate Then use a recipe to make a popular food from the time fish sauce *Conflict and Community in Corinth* Ben Witherington,1995-01-24 This unprecedented commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of 1 and 2 Corinthians In addition to using traditional exegetical and historical methods this unique study also analyzes the two letters of Paul in terms of Greco Roman rhetoric and ancient social conditions and customs to shed fresh light on the context and content of Paul s message Includes 21 black and white photos and illustrations

Towns in Decline, AD100-1600 Terry Slater,2017-07-05 Many European towns have experienced loss of population degradation of physical structure and profound economic change at least once since the height of the Roman Empire This volume is an examination of the various causes of these changes the results which flowed from them and the reasons why some urban centres survived revived and eventually flourished again while others failed and died The contributors bring to bear the techniques of history and archaeology the perspectives of economics agronomy medicine architecture and planning geography and law to the study The result is a synthesis which connects the Decline of the Roman Empire to the effects of the Black Death and the economic transformation of Renaissance Florence **Inhabited Spaces** Nicole Guenther Discenza,2017-01-18 We tend to think of early medieval people as unsophisticated about geography because their understandings of space and place often differed from ours yet theirs were no less complex Anglo Saxons conceived of themselves as living at the centre of a cosmos that combined order and plenitude two principles in a constant state of tension In *Inhabited Spaces* Nicole Guenther Discenza examines a variety of Anglo Latin and Old English texts to shed light on Anglo Saxon understandings of space Anglo Saxon models of the universe featured a spherical earth at the centre of a spherical universe ordered by God They sought to shape the universe into knowable places from where the earth stood in the cosmos to the kingdoms of different peoples and to the intimacy of the hall Discenza argues that Anglo Saxon works both construct orderly place and illuminate the limits of human spatial control **The Art of the Roman Empire** Jaś Elsner,2018-04-27 The passage from Imperial Rome to the era of late antiquity when the Roman Empire underwent a religious conversion to Christianity saw some of the most significant and innovative developments in Western culture This stimulating book investigates the role of the visual arts the great diversity of paintings statues luxury arts and masonry as both reflections and agents of those changes Jas Elsner s ground breaking account discusses both Roman and early Christian art in relation to

such issues as power death society acculturation and religion By examining questions of reception viewing and the culture of spectacle alongside the more traditional art historical themes of imperial patronage and stylistic change he presents a fresh and challenging interpretation of an extraordinarily rich cultural crucible in which many fundamental developments of later European art had their origins This second edition includes a new discussion of the Eurasian context of Roman art an updated bibliography and new full colour illustrations

The Ancient Roman City John E. Stambaugh,1988-05 A synthesis of recent work in archaeology and social history drawing on physical literary and documentary sources **The Princeton Encyclopedia of Classical Sites** Richard Stillwell,2017-03-14 Here are over 1 000 pages of authoritative information on the archaeology of Greek and Roman civilization The sites discussed in the more than 2 800 entries are scattered from Britain to India and from the shores of the Black Sea to the coast of North Africa and up the Nile They are located on sixteen area maps keyed to the entries The entries were written by 375 scholars from sixteen nations many of whom have worked at the sites they describe Until now our knowledge of the Classical period has been scattered in hundreds of sources dating from antiquity to our own times This volume provides essential information on work accomplished in progress and still to be undertaken Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Anglo-Saxon Myths: State and Church, 400-1066 Nicholas Brooks,1998-07-01 In this collection of essays Nicholas Brooks explores some of the earliest and most problematic sources both written and archaeological for early English history In his hands the structure and functions of Anglo Saxon origin stories and charters whether authentic or forged illuminate English political and social structures as well as ecclesiastical urban and rural landscapes Together with already published essays this work includes an account of the developments in the study of Anglo Saxon charters over the last 20 years
