Seeking The Spirit:

Seeking Spirit Beyond the Bottle Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author's growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safely and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry's words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve *Project* Ken Wilber, 1996-03-01 Wilber traces human development from infancy into adulthood and beyond into those states described by mystics and spiritual adepts The spiritual evolution of such extraordinary individuals as the Buddha and Jesus hints at the direction human beings will take in their continuing growth toward transcendence Seeking the Spirit Joseph Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life F. McConkie, 1988 from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God The Spirit with Our Spirit Witness Lee, 2025-03-14 The revelation of the Spirit in the Bible points to God's desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one

spirit and the Spirit witnesses with our spirit that we are the children of God In The Spirit with Our Spirit Witness Lee presents a deep enlightening yet wonderfully practical view of the believers experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit The Spirit with Our Spirit is an invaluable guide in this learning process The Spirit World: A Guide to Communicating Beyond the Veil Vikki Strack, In the tapestry of human experience the threads of life and death intertwine creating a fascinating and often perplexing landscape For centuries humanity has grappled with the mysteries of the afterlife seeking answers and solace in the face of mortality The spirit world a realm beyond our physical senses has captivated imaginations and inspired countless stories rituals and beliefs This book serves as a guide to navigating the enigmatic world of spirits offering a respectful and informed approach to communication with the other side It is not a definitive answer to the complexities of the afterlife but rather an invitation to explore the fascinating world of mediumship Ouija boards and other spiritual practices Through a blend of historical insights practical techniques and personal anecdotes this book aims to shed light on the nuances of the spirit realm and equip readers with the tools and knowledge to embark on their own journey of exploration This is not just a book about communicating with spirits it is a journey of self discovery spiritual growth and a deeper understanding of the interconnectedness of all beings Whether you are a seasoned seeker or a curious beginner The Spirit World A Guide to Communicating Beyond the Veil provides a valuable resource for those seeking to bridge the gap between the physical and spiritual realms The Collected Works of Ken Wilber Ken Wilber, 1999 This collection of books and essays reveals Wilber's vision of the essential truths of East and West applying them to a wide range of fields from art of psychoanalysis medicine to sociology and religion to Essential Prosperity Napoleon Hill, James Allen, Wallace D.
