Leadership and Listening Donald E. Zimmer,2011-06-22 Church leaders must fundamentally change the way they view leadership governance and management in their organizations if they are to take seriously the need to listen to God's desires before acting In *Leadership and Listening* readers will find encouragement and specific suggestions for re-imagining church governance and management Zimmer observes that the contemporary church is rooted in both the kingdom of God and the systems and cultures of government and business Most people who serve in governing and management roles in the church in the United States today have been formed in the corporate world and acculturated to parliamentary process As a result many church governing boards are about business rather than their primary task discerning God's desires for the part of the church they serve Through research with more

than one hundred church leaders Zimmer learned that the church and the business community possess many insights and resources that can help boards shift toward a focus on seeking first the desires of God's heart and then responding effectively. By drawing on the guidance Zimmer offers, a church board can transform itself from a group that manages the day to day affairs of the church to one that makes listening, prayer, worship, reflection, and community the first priority. Re-Imagining the Church Robert J. Suderman, 2016-09-30. The church: What has it become? What was it meant to be? Does it pave the way or get in the way? Are we suspicious of the institutionalization of church bureaucracy? Or thrilled with the relevant impact of its presence? Robert J. Suderman writes about the church as a practitioner. His inspiration emerges out of the crossroads of biblical vision and human sincerity, always tempered with frailty. Years of ministry, never a stranger to complexity, only serve to sharpen the vision of possibility. His imagination of what can be is never divorced from the realities of what is. He does not bow to the common assumption that you can't get there from here. Here is the only possible point of origin for us. In his succinct, easy-to-understand writing style, Suderman provides insightful and thought-provoking perspectives to what it means to be the church. To be a people called out to participate together in God's activity in the world and to create programs and structures needed for effective ministry are two sides of the same coin. This book is for dreamers and bureaucrats alike; indeed, it assumes that the two are indispensable pieces of God's coming presence. Introduction by Tom Yoder Neufeld. *In Search of God's Will* Trevor Hudson, 2024-11-05. Have You Ever Asked What Is God's Will for My Life? A trusted voice of the Christian faith in spiritual formation and discipleship, deeply shaped by the wisdom of Dallas Willard and St. Ignatius, Trevor Hudson has crafted a user's guide to discern God's personal will for our lives. After serving the local congregation as a Methodist pastor in South Africa for almost fifty years, Trevor now lectures, teaches, and offers spiritual retreats both locally and internationally. Over the years, this question about discerning God's will is one that he has heard again and again. *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life, ultimately helping you to become the unique person God wants you to be. You'll be equipped and encouraged in your faith on how to align your heart with the heart of God, attune yourself to your calling, listen to God in Scripture, pray the Scriptures, pay attention to the movements of the Spirit in your heart, uncover and exercise your God-given giftedness, notice God's presence and activity in daily life, engage in sacred conversations with trusted companions, make faithful decisions, take the initiative when God seems silent, and more. Each concept includes a discernment exercise so that you can experience what you are learning. If you have ever wondered about God's personal will for your life, how your desires and God's desires intersect, and how God is present and active around you, *In Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be. **The Local Church in a Global Era** Max L. Stackhouse, Tim Dearborn, Scott Ronald Paeth, 2005-03-14. How is the church being affected by globalization? What does wider and more direct contact between the world religions mean for Christians?
