Seven Jeff V. Cook,2008-10-21 Our world is charged with both the grandeur of God and the void of his absence The seven deadly sins are the force causing that hole They are at work in each of us They decimate our relationships our souls and our world These deadly sins often seem pleasing and good for gaining what we desire but they are thoroughly poisonous Conversely the Beatitudes are Jesus pictures of a restored creation The Beatitudes introduced what Jesus said to his earliest followers about a life strong and fruitful In fact the Beatitudes give us a glimpse of a world empty of evil and filled to the edges with God s life Looking at the Beatitudes and the seven deadly sins in turn we see two paths two sets of invitations Both call to deep places within us to come and taste Both invite us to take up residence Both present themselves as life as it actually is But only one will draw us further into reality And only one will make us happy Of the many many books about the Gospels or about Jesus or about Christian morality only one in a thousand gives us a real breakthrough a new big picture Most are just nice little candles on the cake Seven is a bonfire It s not just good it s striking It doesn t just say all the things you ve heard a thousand times before And yet it s totally in sync with both the saints and the scholars Peter Kreeft professor of philosophy at Boston College and author of over forty five books including *Fundamentals of the Faith*

Get Their Name Bob Farr,Doug Anderson,Kay Kotan,2013-05-01 Change your church culture Create an outwardly focused environment where hospitality and invitation happen Sunday and every day of the week This book offers five steps to help congregations go public with their faith from service projects to sharing the faith with persons who want to know more about Christ and thw church This book offers tactics to increase individual and church competency with relational evangelism with friends neighbors and even strangers Learn how to start up a conversation follow up with contacts and navigate unfamiliar settings Learn what works and what doesn t We may think that just because we invite someone on our church property they ll come back Often we don t reach out to help people cross the faith line because we re uncomfortable with evangelism or just plain scared Gain the confidence to share the good news boldly After all we know the name of the One who loves us all and who holds all power over heaven and earth

Where's the Veil? Trish Rankin,2011-12 In times of loss everyone experiences grief whether from the loss of a marriage the loss of a job or the loss of a life In grief you are not alone we often say to comfort grieving loved ones But tell that to the woman who feels like her world has just been turned inside out During two inconceivably difficult weeks author Trish Rankin s life radically morphs into something almost unrecognizable Her husband dies of an inoperable brain tumor and simultaneously their son suffers

liver failure To move forward together both as partners and parents on their God adventure Trish and Dr David Rankin chose to use the techniques she had taught for years in grief programs In this honest heartbreaking memoir Trish lifts the veil on loss She stares lovingly into the face of what's real the shock the agony the suffering the hope the re emergence and eventually the ability to rediscover joy Once she finds the strength to lift that metaphorical veil she realizes that like the butterfly emerging from its cocoon her loss is the gateway to an awakening and perhaps to creating a full life once again Woven within this inspiring grief journey are techniques to help others on their own path to healing Trish Rankin's story is one of tragedy deep struggle and ultimately hope **Get Their Name: Participant Workbook** Bob Farr, Kay Kotan, 2016-05-17 The Participant Guide is a workbook to facilitate the layperson's experience as the church studies Get Their Name It includes group and individual activities and personal devotional material Church leaders and members should all read the original Get Their Name book during the month of this church wide experience **Spiritual Disciplines within the Church** Donald S. Whitney, 1996-09-10 You're worth it You deserve a break today Do something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In Spiritual Disciplines Within the Church seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can't I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn't I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer **Going Full Circle** Mark Powers, 2013-07-03 In the grip of serious numerical decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions Going Full Circle uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission Are you a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement **Glimpses of Phoenix** David William Foster, 2013-04-19 Part of the self image of Phoenix is that the city has no history and that anything of importance happened yesterday Also that Phoenix the

Arizona state capital is a clean city despite a past of police corruption and social oppression The real Phoenix easygoing sun drenched a place of ever expanding development and economic growth guarantees it is said an enviable lifestyle low taxes and unfettered personal freedom and opportunity Little of this is true Phoenix has been described as one of the least sustainable cities in the country This sixth largest urban area of the United States has an alarmingly superficial and tourism oriented discourse among its leaders This book examines a series of narrative works novels theater chronicles investigative reporting personal accounts editorial cartooning even a children s television program that question this discourse in a frequently stinging fashion The works examined are anchored in a critical understanding of the dominant urban myths of Greater Phoenix and an awareness of how all the newness modernity and fun in the sun mentality mask a uniquely dystopian human experience

A Beautiful Offering Angela Thomas, 2006-05-28 For many years Angela Thomas thought of the Beatitudes as a list of Gotta Be s as in Gotta be meek Gotta be merciful And when she compared her life to the standard they set she always felt that she came up short But through God s great mercy she has come to see this passage instead as a roster of When You Are s When you are meek there is a spiritual inheritance When you are merciful you will be shown mercy This shift in thinking has led Thomas to understand that God does not require perfection but rather our gracious obedience In His eyes our lives complete with mistakes blemishes and imperfections are A Beautiful Offering
