The things that are unseen and the words that are untold are eternal in nature. In this universe we are stuck within the walls of materialistic world. We ourselves have cut off the wings of the soul that is eternal and have the power to make us fly in the unseen world where pure feeling of love dwells that is untold. It's the world where soul smiles more in solitude and where love erases the dust of lust. The Unseen World With Untold Tales is an anthology based on the themes soul, solitude, love, and lust. This book is composed of different genres written by 40 marvelous writers. This book revolves around the two important realms of this universe: Physical and Beyond Physical. It is compiled by Atiya Rifat with partnership of Atya Tabassum under the guidance of Himani Satpalkar.
