Games of Inheritance Yitzhak Lewis, 2025-05-13 Games of Inheritance explores the thought of Argentine author and public intellectual Jorge Luis Borges 1899 1986 on questions of authorship and literary tradition The book focuses on Borges's engagement with Jewish literary and intellectual traditions highlighting the role of this engagement in developing and expressing his views on these questions The book argues that the primary relevance of Borges's persistent reference to the Judaic is not for understanding his attitude toward Jews and Judaism but for understanding his position in contemporary Argentinian debates about nationalism and literature empire and postcolonialism and populism and aesthetics
