**The Religions of the Roman Empire** John Ferguson,1970 The Son of Man in Myth and History Frederick Houk Borsch,2007-03-01 Borsch has not answered all the questions of course Who can But his view of the Man tradition makes more sense to me than for example Perrin s rather cavalier dismissal of the evidence and it not only enlightens but also enlivens the discussion As against the extreme skeptics Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels If the proof of the pudding is in the eating the book constantly calls me back to its pages for insight regarding the problem both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today Theology The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done And of this with the positive and negative conclusions he gives an excellent survey crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form critical argument London Quarterly and Holborn Review Frederick H Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia He is also the former Dean of the Chapel at Princeton University His other books include The Spirit Searches Everything Keeping Life s Questions The Bible s Authority in Today s Church Introducing the Lessons of the Church Year A Guide for Lay Readers and Congregations and The Christian and Gnostic Son of Man *Backgrounds of Early Christianity* Everett Ferguson,2003-08-19 Having long served as a standard introduction to the world of the early church Everett Ferguson s Backgrounds of Early Christianity has been expanded and updated in this third edition The book explores and

unpacks the Roman Greek and Jewish political social religious and philosophical backgrounds necessary for a good historical understanding of the New Testament and the early church New to this edition are revisions of Ferguson s original material updated bibliographies and fresh discussions of first century social life of Gnosticism and of the Dead Sea Scrolls and other Jewish literature

**To Know All Mysteries** C. Andrew Ballard,2022-08-31 This book examines the way that Paul presents himself as a guide into mysteries a mystagogue in 1 2 Corinthians By describing himself as a type of mystagogue for the community Paul was following a precedent in both Jewish and non Jewish sources for invoking mystagogic language to engage in polemics with a rival In opposition to the precedent however Paul understands the mystagogue to be a bi partite figure comprised of both foolishness and wisdom simultaneously C Andrew Ballard argues that ancient mystagogues were often described in two disparate ways figures of power and figures of weakness and foolishness Paul synthesizes both aspects of the mystagogue in his self presentation to the Corinthians The figure of the mystagogue as a wise fool was useful to Paul because it was descriptive not only of his own experience as a suffering yet authoritative apostle but also of the experience of his deity the suffering and glorified Christ By presenting himself as both a powerful and foolish mystagogue Paul could argue that he was a more authentic imitator of Christ than his opponents in Corinth who boasted in self exaltation instead of self humility In this way Paul used the character of the mystagogue as a strategic rhetorical tool in his communication with the Corinthians

*Meditations on King Paimon: Classical and Spiritual Ramblings on Demon King of the West* Anne O'Donoghue,2023-06-05 A journey into the 9th spirit of the Ars Goetia Based partially on already existing texts we investigate this Solomonic spirit s possible origins personality existing theories and relation to other entities through a uniquely personal lens With classical documents and unverified personal gnosis by way of meditative techniques we gain further insight into who Paimon is those who accompany him and more Through this piece a new theory is created on just who this demon is and their origins by way of beliefs and written thought which are both documented in this book These beliefs are born of unverified personal gnosis and plausible theory Also included in this text is the dispelling of myths and ritualistic methods of contact for the interested reader to use and enjoy

**The Journal of the Association of Graduate Near Eastern Students** ,1990 [Unmasking the Pagan Christ](#) Stanley E. Porter,Stephen J. Bedard,2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century But what if there was no Jesus What if there was no Mary or Joseph no twelve apostles What

if the story of Jesus was no more than a myth to convey spiritual truth These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur s recent book The Pagan Christ Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion Stanley E Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada Porter has M A degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph D from the University of Sheffield He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John He has a passion for education in the church and preaches and teaches regularly Stephen J Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada He holds the M Div and M Th degrees from McMaster Divinity College and is actively engaged in further graduate study Bedard is an advocate of informed preaching and teaching and is devoted to the ministry of the local church
