Morra,2022-09-07 Collection Thinking is a volume of essays that thinks across and beyond critical frameworks from library archival and museum studies to understand the meaning of collection as an entity and as an act It offers new models for understanding how collections have been imagined and defined assembled created and used as cultural phenomena Featuring over 70 illustrations and 21 original chapters that explore cases from a wide range of fields including library and archival studies literary studies art history media studies sound studies folklore studies game studies and education Collection Thinking builds on the important scholarly works produced on the topic of the archive over the past two decades and contributes to ongoing debates on the historical status of memory institutions The volume illustrates how the concept of collection bridges these institutional and structural categories and generates discussions of cultural activities involving artifactual arrangement preservation curation and circulation in both the private and the public spheres Edited and introduced collaboratively by three senior scholars with expertise in the fields of literature art history archives and museums Collection Thinking is designed to stimulate interdisciplinary reflection and conversation This book will be of interest to scholars and practitioners interested in how we organize materials for research across disciplines of the humanities and social sciences With case studies that range from collecting Barbie dolls to medieval embroideries and with contributions from practitioners on record collecting the creation of sub culture archives and collection as artistic practice this volume will appeal to anyone who has ever wondered about why and how collections are made The Writer's Idea Book 10th Anniversary Edition Jack Heffron,2011-12-15 Where do you get your ideas It s a question that plagues every writer And once you ve got an idea what then Ideas without a plan without a purpose are no more than pleasant thoughts So how do you come up with those ideas and how do you turn them into writing that will engage your reader The Writer s Idea Book is here to help you find the answers Utilizing more than 400 prompts and exercises you ll generate intriguing ideas and plumb their possibilities to turn them into something amazing This indispensable guide will help you Develop good writing habits that foster creativity Explore your own life for writing material Draw inspiration from the world around you Find form for your ideas develop them into a piece of writing and make them better Let The Writer s Idea Book give you the insight and self

awareness to create and refine ideas that demand to be transformed into greater works the kind of compelling absorbing writing that will have other writers asking where do you get your ideas *African Voices* ,2002 *The Aesthetics of Anthony Burgess* Jim Clarke,2017-10-26 The book is the first full length text on Anthony Burgess s fiction in a generation and offers a radical and innovative way of understanding the extensive literary achievements of one of the twentieth century s most innovative authors This book explores Burgess s dazzlingly diverse range of novels through the one key theme which links them all the artistic process itself Borrowing from Nietzsche s aesthetic dichotomy of Apollo and Dionysus the book uncovers the protracted evolution of Burgess s fiction and offers a unifying theory which links his early postcolonial fiction chronologically via his modernist experiments like *A Clockwork Orange* and *Nothing Like The Sun* to his late classics *Mozart and the Wolfgang* and *A Dead Man in Deptford* This volume clarifies Burgess s seminal role as both late modernist and early postmodernist and lucidly unveils the legacy of England s most mercurial novelist *Melodramatic Voices: Understanding Music Drama* Sarah Hibberd,2016-04-22 The genre of melodrama grand spectacle that emerged in the boulevard theatres of Paris in the 1790s and which was quickly exported abroad expressed the moral struggle between good and evil through a drama of heightened emotions Physical gesture mise en scene and music were as important in communicating meaning and passion as spoken dialogue The premise of this volume is the idea that the melodramatic aesthetic is central to our understanding of nineteenth century music drama broadly defined as spoken plays with music operas and other hybrid genres that combine music with text and or image This relationship is examined closely and its evolution in the twentieth century in selected operas musicals and films is understood as an extension of this nineteenth century aesthetic The book therefore develops our understanding of opera in the context of melodrama s broader influence on musical culture during the nineteenth and twentieth centuries This book will appeal to those interested in film studies drama theatre and modern languages as well as music and opera **Writing Home** Leslie A. Fiedler,2024-12-01 The letters in *Writing Home* offer a glimpse into a crucially formative period in the life of Leslie A Fiedler one of the greatest literary critics and American public intellectuals of the twentieth century Written to his wife and two sons between May 1944 and December 1945 while he was serving as a cryptologist and translator for the Office of Naval Intelligence they contain firsthand accounts of his experiences in various locations in the Pacific Theater including Hawai i Iwo Jima Okinawa Guam and China Constrained by Navy censors from writing directly about his work as an intelligence officer he writes instead on a variety of themes events places and war situations including the ethical contradictions between a war fought for and in the name of freedom on the one hand and the oppression of indigenous Hawai ians and prisoners of war on the other He also questions the mainstream European centered view of the war and provides new insights into the role of Jewish servicemen in World War II Finally the letters document the beginning of the formation of American intellectual life in the years preceding the Cold War forcing us to rethink certain premises of American exceptionalism in the second half of the twentieth century Taken together they offer a unique and

fascinating immersion into history through the eyes of one of the makers of post World War II American literary culture

The Sound of One Voice J. E. Hodgetts, Eugene Alfred Forsey, 2000 In true democratic fashion the great Canadian academic and constitutional aficionado Eugene Forsey chose to air his heartfelt opinions in the broadest of public forums the letters to the editor page His foremost concern was the survival and success of Canada as a unified nation but the demise of the English language litter and the misguided aesthetics of government agencies in the placing of public statuary did not escape his at times acerbic pen Selecting from some eight hundred letters written over sixty years Hodgetts weaves together a remarkably full picture of this patriot whose debates in the press ranged from the role of the governor general the senate the judiciary and the rule of law to his last battle over the Meech Lake Accord In answering the question of why such a prominent public figure would attach himself to this particular genre *The Sound of One Voice* broaches the greater meaning of the letter to the editor a much neglected area in the literature of democratic politics Friends made through the press will be delighted to read this collection those who missed his public voice by a generation will get a veritable crash course in Canada's central national issues BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Cyclopedia of English Literature: a Selection of the Choicest Productions of English Authors* Robert

Chambers, 1851 **The Hank Williams Reader** Patrick Huber, Steve Goodson, David Anderson, 2014-01-31 When Hank Williams died on New Year's Day 1953 at the age of twenty nine his passing appeared to bring an abrupt end to a saga of rags to riches success and anguished self destruction As it turned out however an equally gripping story was only just beginning as Williams's meteoric rise to stardom extraordinary musical achievements turbulent personal life and mysterious death all combined to make him an endlessly intriguing historical figure For more than sixty years an ever lengthening parade of journalists family and friends musical contemporaries biographers historians and scholars ordinary fans and novelists have attempted to capture in words the man the artist and the legend *The Hank Williams Reader* the first book of its kind devoted to this giant of American music collects more than sixty of the most compelling insightful and historically significant of these writings Among them are many pieces that have never been reprinted or that are published here for the first time The selections cover a broad assortment of themes and perspectives ranging from heartfelt reminiscences by Williams's relatives and shocking tabloid exposés to thoughtful meditations by fellow artists and penetrating essays by prominent scholars and critics Over time writers have sought to explain Williams in a variety of ways and in tracing these shifting interpretations this anthology chronicles his cultural transfiguration from star crossed hillbilly singer songwriter to enduring American icon *The Hank Williams Reader* also features a lengthy interpretive introduction and the most extensive bibliography of Williams related writings ever published *Italian American Poetics of Place* Sabrina Vellucci, 2024-11-19

This volume examines the significance of place in contemporary Italian American literature from an ecocritical perspective It fills a gap in the theoretical discourse on Italian American culture whose concerns about environmental justice have been

mostly overlooked From mid twentieth century poets such as John Ciardi and Diane di Prima to late twentieth and twenty first century fiction writers such as Carole Maso and Salvatore Scibona the study combines Italian American literary criticism with the spatial turn that over the last decades has asserted the interpretive significance of place and the environment in literary texts Questioning the prejudice that sees Italian American culture as detached from ecological issues these works show that such diasporic heritage has helped forge different modes of relationship and new forms of expression in contact with the American land Their relevance lies not so much in defining or redefining Italian American ethnicity but in forging ideas and futures beyond their immediate framework and subject matter By focusing on the intersection of gender and ethnicity with local and transnational spaces and aesthetic practices Italian American Poetics of Place contributes to the growing field of inquiry that explores the resources of the literary in laying the basis for more dialogic and inclusive forms of awareness and community with both the human and other than human

Iron Balloons: Hit Fiction from Jamaica's Calabash Writer's Workshop Colin Channer, 2006-06-01 Jamaica's literary lion Colin Channer presents new fiction from the freshest young Jamaican authors and the Calabash International Literary Festival's Extended Family Reggae's rebel spirit blazes in this hot selection of short fiction from Jamaica's Calabash Writer's Workshop Set in the Caribbean and the USA the stories sweep across a range of moods and genres to create a narrative LP of fascinating voices From the old lady who gives a how to speech on beating children to the schizophrenic singer who thinks he's Bob Marley to the hotel maid who gets a sexual offer that she can't refuse the diverse mix of characters are linked by the fundamental principle that all cliché conventions must be shouted off the page In the proudly odd tradition of Jamaican music the selections seek to entertain while asking daring questions that provoke new ideas into being New writing from Colin Channer Marlon James Elizabeth Nunez Kwame Dawes Kaylie Jones Geoffrey Philp Rudolph Wallace Konrad Kirew Alwin Bully A dziko Simba and Sharon Leach *The Slingsby papers: a selection from the writings of Jonathan Freke Slingsby* John Francis Waller, 1852
