survivor and victim advocate Jennifer Storm shares the information tools and resources she has gained from more than twenty years of personal and professional experience to help fellow survivors recover from co occurring sexual trauma and substance use In recent years the MeToo and Time s Up movements have exposed the truth that many already knew sexual violence victimization and rape culture are real pervasive and causing widespread trauma for millions of survivors This newfound visibility is also shedding light on the lack of resources available for victims to cope and heal from their pain Perhaps it s not surprising that many turn to whatever coping mechanisms are close by which often include alcohol other drugs and unhealthy behaviors How can people in recovery from both sexual trauma and substance use heal in a place where victim blaming and addiction stigma collide Jennifer Storm is living proof that there is hope In her memoir Blackout Girl she shared her story and showed survivors that they are not alone In Awakening Blackout Girl Jennifer goes further by providing the road map she used to wake herself up from the drug fueled numbness that was killing her and to achieve a fulfilling life of recovery and advocacy With more than twenty years of experience helping other victims through the criminal justice system Jennifer knows what survivors face In this guide she provides the exercises tools and wisdom they need to heal While covering crucial subjects ranging from shame and self harm to sex and relationships Jennifer s message is this Neither your pain nor your offender nor anyone else who doubts your strength gets to finish your story You have the power to write your ending You can survive you can heal and you can thrive

Beyond Surviving: the Final Stage in Recovery from Sexual Abuse Rachel Grant,2012-11-23 In the world of recovery there has been a shift from using the word victim to survivor when describing those who have been abused While moving from victim to survivor is an important step in the healing process it does not go far enough in framing an identity that leads to letting go of the pain of abuse and finally feeling normal In this Facilitator s Guide to Beyond Surviving author Rachel Grant a sexual abuse recovery coach provides a step by step guide for leading a Beyond Surviving Course The goal of the course is to guide survivors in reaching the final stage of recovery Based on cognitive behavioral techniques neurological science the power of language to heal and Grant s personal journey the Beyond Surviving Course teaches survivors how to actively challenge and break the patterns of thought and behavior that result from sexual abuse It explores how different areas of life are impacted by abuse and communicates valuable skills for gaining a new perspective that inspires action and change It provides an opportunity to reflect and practice these new skills through exercises and assignments Beyond Surviving facilitators learn how to enable survivors of sexual abuse to take back their rights and realize their own ability to make powerful choices about who they are and how they live Participants will reach the final stage of recovery and begin living authentically and free from the burdens of past experiences

No More Secrets Denise Lang-Grant LPC,Irene Colucci-Lebbad LCSW,2015-06-30 Sexual assault and abuse have been called a worldwide epidemic by the World Health Organization but many clinicians are reluctant to tackle this topic due to their own lack of knowledge or personal anxieties In this ground breaking workbook replete with dramatic examples Denise Lang Grant
