Sheltered Lives A Novel:

The Sheltered Life Ellen Glasgow, 2024-08-12 *The Sheltered Life* by Ellen Glasgow is a poignant exploration of societal expectations and personal disillusionment. Set in the South, it follows a family whose pursuit of comfort and tradition blinds them to the harsh realities of life. This novel vividly captures the tension between appearance and reality in a changing world.

The Tragic Life Story of Medea as Mother, Monster, and Muse Jana Rivers Norton, 2019-11-13 This volume offers a critical yet empathic exploration of the ancient myth of Medea as immortalized by early Greek and Roman dramatists to showcase the tragic forces afoot when relational suffering remains unresolved in the lives of individuals, families, and communities. Medea as a tragic figure whose sense of isolation and betrayal interferes with her ability to form healthy attachments reveals the human propensity for violence when the agony of unresolved grief turns to vengeance against those we hold most dear. However, metaphorically, her life story as an emblem for existential crisis serves as a psychological touchstone in the lives of early twentieth-century female authors who struggled to find their rightful place in the world to resolve the sorrow of unrequited love and devotion and to reconcile experiences of societal abandonment and neglect as self-discovery.

Sheltered Lives Mary Hazzard, 1981-08 This is more than an ordinarily good novel; it illuminates the subjects it touches, and it will reward the serious reader richly. *The Washington Post*

The Curious Death of the Novel Louis D. Rubin, Jr., 1999-03-01 One of the country's more perceptive younger critics, Louis Rubin is well known for his commentaries on the literature of the South. These essays, selected from his critical works over a period of more than a dozen years, reflect his wider concern with the whole spectrum of American literature. In the title essay, Rubin treats tired literary critics and the often heard pronouncement that the novel is dead. He argues that the response of novelists to our difficult and demanding times will doubtless be what the response of writers to difficult and demanding times always has been: namely, difficult and demanding works of literature. Another essay, *The Experience Difference: Southerners and Jews*, is a perceptive examination of the parallels in different factors and cultural experiences which brought Southern and Jewish writers to prominence. Rubin explores the potential pitfalls for Southern writers today in an essay called *Getting Out From Under*. William Faulkner, Edgar Allan Poe's position in American literary history, and H. L. Menckens role as a literary critic and an artist of destruction who cleared the way and created an audience for the major American writers of the twenties are dealt with in other essays. The collection includes imaginative studies of Henry James, Mark Twain, Edmund Wilson, and Karl Shapiro. Several Southern writers, including Faulkner, Ellen Glasgow, Robert Penn Warren, Flannery O'Connor, and James Branch Cabell, also come under Rubins scrutiny.
