The Rivals Richard Brinsley Sheridan,2014-05-29 Both Sheridan and Goldsmith lamented the popularity of sentimental comedy in the later eighteenth century and wrote their witty and satirical plays though never lascivious in the manner of Restoration comedies to counteract the sentimental mode The Rivals 1775 was a qualified success the suave young officer who is forced by his father to marry

the very girl to whom he is secretly engaged must always please but first audiences were as uncertain as later critics about how to evaluate his neurotic friend Faulkland who invents a series of caveats for his marriage to the earnest Julia A country squire who becomes alarmingly foppish in town an impetuous Irishman and the linguistically challenged Mrs Malaprop complete the cast This edition includes the original preface and several prologues in an appendix it lists all the fashionable books and songs to which the characters allude

Enduringly popular less for its plots than for its verbal brilliance and wit The School for Scandal 1777 was the most frequently performed play of its time Sir Peter Teazle has made the perennial mistake of elderly bachelors in English comedy and married a much younger wife in the hope that she will be too innocent to cross him In fact Lady Teazle spends her time with Lady Sneerwell and the worst set of scandalmongers in town who have a beady eye on Charles Surface the reckless young libertine in expectation of seeing him ruined Charles however turns out to possess the sterling virtues of generosity and loyalty to friends and family and it is his hypocritical brother Joseph who ends up the villain of the piece This edition discusses Sheridan's earlier drafts for the play and sets it into its theatrical context of anti sentimentalism and its social context of the London High Society in which Sheridan had begun to move
