Sherlock Holmes The Eligible Bachelor:

Sherlock Holmes - The Hero With a Thousand Faces: Volume 2 David MacGregor, 2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett's portrayal for Granada Television and then the BBC's Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch's version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett's poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come **Sherlock Holmes** Mark Campbell, 2013-06-01 With the recent successes of Robert Downey Jr on the big screen and Benedict Cumberbatch on TV the popularity of Sherlock Holmes is riding high and here is the essential guide Who is Holmes The world's most famous detective a drug addict with a heart as cold as ice or a millstone around the neck of his creator He's all of these things and much much more Sherlock Holmes was the brainchild of Portsmouth GP Arthur Conan Doyle A writer of historical romantic fiction Doyle became unhappy that the detective's enormous success eclipsed his more serious offerings But after attempting to wipe him out at the Reichenbach Falls in Switzerland Doyle was faced with a vociferous backlash from the general public and eventually he had no choice but to bring his sleuth back from the grave to face more puzzling mysteries While not strictly speaking canonical Holmes deerstalker curved pipe and cries of Elementary my dear Watson have been immortalized in countless stage film television and radio productions An iconic fictional creation inseparable from his partner in crime Dr John Watson Sherlock Holmes has charmed and fascinated millions of people around the world since his first appearance more than a century ago He is one of English literature's finest creations *Sherlock Holmes. Inglese* Daniele Della Rocca, 2022-12-20 Una guida al celebre personaggio illustrata con numerose fotografie e poster Il libro comprende cast trame e commenti di film adattamenti teatrali romanzi e fumetti in un arco di oltre 130 anni An a z guide to the famous detective illustrated with numerous photographs and posters The book includes cast storylines and film comments theatrical adaptations novels and comics in over 100 years **Emissions of a Brain on Sherlock Holmes** Mary Towell Schroeder, 2023-06-27 Between these pages you will find critiques observations commentaries and occasional flights of fancy all inspired by the character and career of Sherlock Holmes In total they suggest an explanation for his fascination

He gives readers so much to think about The more you seek the more you find and the more you find the more compelled you are to seek So read at your own peril You have been warned This sampling could seduce you into joining the ranks of readers who are hooked on Holmes The Complete Index to Literary Sources in Film Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film *Sherlock Holmes Handbook* Christopher Redmond,2009-09-28 *Sherlock Holmes Handbook* sums up a Canadian scholar's lifetime expertise about Sherlock Holmes the characters and themes the publishers and readers Victorian London and the Houdini connection radio actors and cartoonists the fans who cling to Holmes's reality and the professors who tease out motifs from the fifty six short stories and four novels The first edition of *Sherlock Holmes Handbook* appeared in 1993 This edition catches up on new films new books a few with a hint of the supernatural and the advent of the Internet which has spread Holmes's fame and Sherlockian fun even further worldwide The intervening years have brought three multi volume editions of the *Sherlock Holmes* stories with hundreds of footnotes providing new insights and new amusement They have also seen Holmes repeatedly on the amateur and professional stages including a few Canadian productions And there have been changes to everything from copyright rules to libraries booksellers and audio recordings Sherlock Holmes Faq Dave Thompson,2015-09-01 SHERLOCK HOLMES FAQ STERLING CUSTOM PRINT EDITION Sherlock Holmes and Philosophy Josef Steiff,2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don't He sees the world in a different way and by so doing allows us to see that same world and human behavior in different ways as well Oh sure there have been countless detectives who have followed in his footsteps and who seem to rival his abilities Just turn on the TV or browse the local bookshop and you'll find idiosyncratic super sleuths using forensics and reasoning to solve a whole host of crimes and misdeeds And yet no one rivals our dear dear Holmes Why does Sherlock reign even more than a century later as king Can this mystery be solved Unable to reach either Holmes or Watson or Doyle for that matter though we've tried every medium we can think of we've been forced to gather our own team of investigators to practice their powers of observation and perception to apply their own reasoning and methodologies to the task at hand The results I fear have led us to a number of cases that must be solved first Is Holmes simply eccentric or a sociopath Is he human or something from the holodeck Is he as dangerous on the page as he is in person Wait does he even exist For that matter do you I fear several investigators have been forced to take a much needed holiday after wrestling with that one What is the source of his faculty of observation and facility for deduction Systematic training as Watson surmises Genetic Or is he just really lucky And is this whole logic thing compatible with emotions Are Holmes and Watson good friends or soul mates Just what is the nature of friendship Do they complete each other or just get on each other's nerves And why all the secrecy Disguises Deceptions The plot thickens What is the essence of consciousness Is the observable world subject to our intentions Why does Holmes debunk mysticism when Doyle so readily embraces it Why is Holmes our favorite drug user Our notebooks are filled with clues and dare I say answers Is there more

than one way to define the concept justice Is hope necessary in the world Is boredom Play Can any thing really be understood Objectively And just what is the last unresolved mystery involving Sherlock Holmes The game that s afoot isn t just the thing being pursued but the fun to be had as well

A Proof Reader's Adventures of Sherlock Holmes Nick Dunn-Meynell, 2021-03-25 Not your typical Sherlock Holmes adventures Nick Dunn Meynell's new collection A Proof Reader's Adventures of Sherlock Holmes contains twelve sequels of sorts to each of the original stories in The Adventure of Sherlock Holmes which first appeared in The Strand from 1891 to 1892 Within this book you'll find a series of conversations between Holmes and Watson each immediately taking place at the conclusion of one of the Adventures These aren't typical Sherlockian pastiches the reader won't find new investigations in the traditional manner Rather these stories take the inconsistencies and contradictions to be found in those original twelve Canonical Adventures and pull them apart twist them double back on them and construct them into something that's sly and new and thoroughly thought provoking These efforts are dense with material and are filled with Easter Eggs for the perceptive Sherlockian The author's subtle sense of humour and affection for Holmes and Watson peeks through at every turn and there are references in each of the individual stories that refer to the others within this collection giving hints of a bigger narrative at play Reading these cannot and should not be hurried They must be pondered And in addition to the Sherlockian aspects Mr Dunn Meynell has managed to weave references to works of art from London's National Gallery into each story pointing out their own hidden or ignored aspects symbols and meanings There's much to enjoy and ponder about these stories Some will catch you by surprise and make you laugh out loud while others will leave you painfully aware of contradictions and mistakes that have been previously ignored in The Canon These aren't typical
