**How Sherlock Pulled the Trick** Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle s well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the s ance room Holmes s first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle

became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle s good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins [New York Magazine](#) ,1986-01-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Peg Entwistle and the Hollywood Sign Suicide* James Zeruk, Jr.,2013-11-08 This is the first complete biography of actress Peg Entwistle known as the Hollywood Sign Girl because of her suicide fall from the HOLLYWOODLAND sign in 1932 It details her childhood stage and film career marriage and divorce and her suicide and almost cult like pop culture status today Extensively researched and written with the complete cooperation of the Entwistle family this work includes excerpts from interviews with Peg Entwistle s brother Milton and her cousin Helen Reid both of whom recalled much of Peg s years living in Hollywood her career and private life and her final weeks It also features many of Peg Entwistle s own words from extant letters to her family and newly discovered interviews with theatrical reporters Nearly 30 previously unpublished images from the author s collection the Entwistle family and a number of other sources complete an intimate look at a life that was defined by far more than its famously unhappy end *Down from the Attic* John T. Soister,Henry Nicolella,2016-06-22 Much has been written and rewritten about classic horror and science fiction films like Nosferatu and Metropolis as well as not so classic pictures like Bride of the Monster and The Hideous Sun Demon Yet some genre films have fallen through the cracks The 24 films some elusive some easily found on YouTube examined in this book all suffered critical neglect and were prematurely stacked in the attic The authors bring them back into the light beginning with Der Tunnel 1915 about the building of a transatlantic tunnel and ending with The Emperor s Baker The Baker s Emperor 1951 a bizarre Marxist take on the Golem legend A variety of thrillers are covered Fog 1933 Return of the Terror 1934 Forgotten Faces 1928 along with such sci fi leaps into the future as The Sky Ranger 1921 High Treason 1929 and Just Imagine 1930 Early adaptations include The Man Who Laughs 1921 The Monkey s Paw 1923 Hound of the Baskervilles 1937 and Sweeney Todd 1928 Rare stills and background material are included in a discussion of Hispanic vintage horror The career of exploitation auteur Bud Pollard The Horror 1933 is examined **Columbia Pictures Horror, Science Fiction and Fantasy Films, 1928-1982** Michael R. Pitts,2014-01-10 From 1928 through 1982 when Columbia Pictures Corporation was a traded stock company the studio released some of the
