**The Shetland Dialect** Peter Sundkvist, 2020-11-29. The traditional dialect spoken in the Shetland Isles, the northernmost part of Scotland and Britain, is highly distinct. It displays distinct characteristic features on all linguistic levels and particularly in its sound system or its phonology. The dialect is one of the lesser known varieties of English within the Inner Circle. Increasing interest in the lesser known varieties of English in recent years has brought a realization that there are still blanks on the map even within the very core of the Inner Circle. Sundkvist's comprehensive treatise draws upon results from a three year research project funded by the Bank of Sweden Tercentenary Foundation for which a phonological survey of the Shetland dialect was carried out between 2010 and 2012. This book is a useful resource for those working on historical linguistics and is intended to serve as a comprehensive description and accessible reference source on one of the most distinct lesser known varieties of English within Britain. It documents and offers a systematic account of the rich regional variation as well as being a reference source for those studying the historical formation and emergence of the Shetland dialect and language variation and change in Shetland as well as those within the broader field of Germanic linguistics.

**Shetland Bus** David Howarth, 2008-06-17. From the author of *We Die Alone*. The Shetland Bus recounts the hundreds of crossings of small boats from the Shetland Islands to German occupied Norway to supply arms to the Resisters and to rescue refugees all under constant threat by German U boats and winter storms.

**The Shetland Poisonings** Marsali Taylor, 2016-12-08. The fifth book in Marsali Taylor's thrilling Shetland Sailing Mysteries series. Perfect for fans of Agatha Christie, Dorothy L Sayers, Val McDermid, Faith Martin, J R Ellis, LJ Ross and Ann Cleeves. This series is a must read for anyone who loves the sea or islands or joyous intricate story telling. ANN CLEEVES' Treasure hunters and opera stars collide in the north of Shetland in this latest of the Cass Lynch mysteries. Cass has embarked on a tentative relationship with DI Gavin Macrae and they are both invited to the gala opening of her mother's new opera. The performance goes well but it is soon clear that things are not as smooth backstage. As the wind rises and the power goes off even Cass's much loved yacht Khalida can't provide a refuge from a ruthless killer.

**PRAISE FOR THE CHILLINGLY ADDICTIVE NAIL BITING SERIES** A brilliant series beautifully written something for every taste in these stories. 5 Reader review. The story is fast paced with some good build up of tension and some quirky humour to enliven the proceedings too. I cannot wait to buy number 6. 5 Reader review. Once again Marsali Taylor combines her love of sailing and of Shetland to create a murder mystery that kept me guessing. 5 Reader review. The author's love of the subject drew me in and I found the whole thing fascinating. And it was an excellent mystery too. 5 Reader review.
