Shield Of David The Story Of Israels:

Shield of David: The Story of Israel's Armed Forces Yigal Allon, 2019-08-09 Shield of David tells the history of the Jews armed forces from the Palestine Yishuv's first efforts at self defense in the early 1900s under the Ottoman Empire and the British Mandate during Israel's 1948 War of Independence the 1956 Suez Campaign and until the 1967 Six Day War In recent years most particularly since the Six Day War of June 1967 people throughout the world have asked themselves how it happened that the Israel Defence Forces won so resounding a victory over the Arab armies What suddenly endowed the Jewish people traditionally non martial with such impressive military skills What is the secret of the prowess of Israeli soldiers airmen and sailors The answer of course is that nothing happens suddenly that the modern story of Jewish self defence in the Land of Israel dates back some eighty years and is the result of the commitment and dedication to national survival of many men and women most of whom seeking no publicity received none This book is my attempt to tell part of that little known story as simply briefly and clearly as possible Yigal Allon Author's Note 1970 *Israeli Humor* Elliott Oring, 2012-02-01 Derived from the Arabic word for lie the word chizbat was chosen by members of the Palmah to designate the particular form of narrative joke exchanged by these volunteer defenders of Jewish settlements in Israel during the uncertain years 1941-48 Elliott Oring concentrates his attention on how the chizbat represents the expression of a distinctly Israeli identity and the disparate elements of this identity sabra European Arab Israeli East West He shows how chizbat humor depends not so much on novelty or punch line as on displaying these incongruities of Israeli identity Oring also discusses the sociocultural context in which the chizbat developed and examines how various theories of humor apply to understanding the chizbat In an appendix invaluable for the folklorist Oring has translated hundreds of chizbat into English some are from written sources and others are verbal accounts he obtained during his months of research in Israel **Shield of David** Murray Rubenstein, Richard Martin Goldman, 1978 Beretter om det israelske flyvevæbns historiske udvikling samt dets indsats under forskellige krige og konflikter History of the People of Israel: From the reign of David up to the capture of Samaria Ernest Renan, 1903 **History of the People of Israel: From the reign of David up to the capture of Samaria. 1889** Ernest Renan, 1889 History of the People of Israel: From the reign of David up to the capture of Samaria. 1894 Ernest Renan, 1894 **History of the World: From Genesis to Today, 100 Israel History With 100 Fun Facts and Trivia** Andrea Febrian, 2025-03-17 Unlock the secrets feel the soul and journey through millennia in History of the World From Genesis to Today 100 Israel History With 100 Fun Facts and Trivia Ever wondered how a tiny sliver of land at the crossroads of civilizations could ignite the world's imagination This isn't just another history book it's an invitation to experience the enduring story of Israel a nation woven into the very fabric of world history Prepare to be captivated by a narrative that sweeps from the whispers of ancient Israel and biblical history in the Holy Land through the tumultuous empires of the Middle East to the vibrant dynamism of modern Israel today Discover the saga of a people their triumphs their

Lost Tribes of Israel: A Journey of Adventure in History, Myth, and Memory AJ Carmichael, 2025-08-04 Why do the Lost Tribes Matter The Mystery That Simply Refuses to Die They went into captivity and vanished from the face of the earth but their memory haunts the corridors of time Throughout the annals of sacred scripture imperial conquest and cultural folklore few mysteries have endured with such fierce fascination as that of the Lost Tribes of Israel The idea that ten of the twelve tribes descendants of the patriarch Jacob were scattered absorbed or vanished into the great silence of history has ignited the imaginations of prophets and poets kings and conquistadors rabbis and revolutionaries Their story rooted in ancient scripture and echoing through the chants of distant nations is not merely a tale of disappearance It is a tale of survival transformation and longing For nearly 3 000 years from the dusty roads of Mesopotamia to the stone circles of Ireland voices have whispered that the Lost Tribes were not lost at all but simply hidden waiting to be revealed in some future reckoning

Military Industry and Regional Defense Policy Timothy D. Hoyt, 2017-07-05. Military Industry and Regional Defense Policy re-examines military industrialization in the developing world focusing on policy making in producer states and the impact of security perceptions on such policy making. Timothy D. Hoyt reassesses the role of regional state sub-systems in international relations and recent historical studies of international technology and arms transfers. Looking at Israel, Iraq and India the three most powerful regional powers in the Cold War era he presents an expert analysis of the three-sided phenomena of the regional hegemony, the regional competitor and the small over-achiever. This new book breaks away from existing literature on military industries in the developing world which has focused on their economic and development costs and benefits. These past studies have used primitive methodologies that focus on the production of complete weapons systems a misleading gauge in a world of growing international defense cooperation. They have also ignored empirical evidence of the impact of local military industrial production on Cold War regional conflict and of the defence planning and concerns that drove development of indigenous military industries in key regional powers. This new text delivers an incisive new perspective.
