## **Shinrans Gospel Of Pure Grace:**

**Shinran's Gospel of Pure Grace** Alfred Bloom,1965      **Shinran's Gospel of Pure Grace** Alfred Bloom,1991      **The Essential Shinran** Shinran,2007 Renowned scholar Alfred Bloom presents the life and teachings of Shinran Shonin the founder of Shin or Pure Land Buddhism the most populist form of Buddhism in Japan drawing extensively on the writings of this influential Japanese religious reformer      **Learning from Other Religions** David Brown,2023-11-16 A path breaking non reductive attempt to explore the revelatory potential in all religions by showing how cultural conditioning impacts religious expression      **Theology in the Context of World Christianity** Timothy C. Tennent,2009-05-26 Thinking more globally about the formation of theology enriches our understanding of what it means to be a Christian It s no secret that the center of Christianity has shifted from the West to the global South and East While the truths of the Christian faith are universal different contexts and cultures illuminate new questions understandings and expressions What does this mean for theology as Western theologians understand it Timothy Tennent argues that the Christian faith is culturally and theologically translatable Theology in the Context of World Christianity is written to expand our ecclesiastical cartography by highlighting within each of the major themes of systematic theology studies that are engaging the global church such as Anthropology with studies drawn from the different views of human identity between Eastern and Western cultures Christology with a focus on the emphases that African Christians place on the characteristics of Christ Pneumatology by looking at the role of the Holy Spirit in Latin American Pentecostalism Eschatology by focusing on how this branch of theology shapes world missions and evangelism Each of the ten chapters examines traditional theological categories in conversation with theologians from across the globe making this volume valuable for students pastors missionaries and theologians alike Theological reflection is active and exciting in the majority world church and Tennent invites you to your own reflection and celebration of Christ s global church These are perspectives that should be heard considered and brought into conversation with Western theologians Global theology can make us aware of our own blind spots and biases and has much to offer toward the revitalization of Western Christianity      **Iron Eyes** Helen J. Baroni,2012-02-01 Iron Eyes focuses on the Japanese Zen master Tetsugen Doko 1630 1682 the best known exponent of baku in Japan and the West baku Zen arose during the seventeenth century and became the third major Zen sect in Japan baku monks encouraged the laity to deepen their knowledge of and commitment to Buddhism Tetsugen is credited with producing the first complete wood block edition of the Chinese Buddhist scriptures in Japan Legend has it that Tetsugen had to raise the money for the project three times twice his great compassion led him to give away the money he had raised to the starving victims of natural disasters This Zen story is well known in Japan and has gained popularity among contemporary Buddhists in the West The first part of this book offers an introduction and a series of analytical chapters describing Tetsugen s life work and teachings as well as the legends related to him The second part comprises annotated translations of his major teaching texts important letters and other

historical documents a selection of his poetry and several traditional biographies      *Discourse and Ideology in Medieval Japanese Buddhism* Richard K. Payne, Taigen Dan Leighton, 2006-04-18 The medieval period of Japanese religious history is commonly known as one in which there was a radical transformation of the religious culture This book suggests an alternate approach to understanding the dynamics of that transformation One main topic of analysis focuses on what Buddhism its practices and doctrines its traditions and institutions meant for medieval Japanese peoples themselves This is achieved by using the notions of discourse and ideology and juxtaposing various topics on shared linguistic practices and discursive worlds of medieval Japanese Buddhism Collating contributions from outstanding scholars in the field of Buddhist Studies the editors have created an important work that builds on preliminary work on rethinking the importance and meaning of Kamakura Buddhism published recently in English and adds greatly to the debate      *Buddhism* Keith Yandell, Harold Netland, 2009-05-22 In this clear introduction to Buddhism Keith Yandell and Harold Netland lay out the central metaphysical claims of this significant world religion and then offer an honest comparison with Christianity acknowledging some overlap of belief while also noting the clear and significant differences between the two religions      Living In Amida's Universal Vow Alfred Bloom, 2004-05-14 This is the first comprehensive collection of essays on Shin Buddhism by many of the most important Shin scholars and religious authorities of the last one hundred years      Buddhism Charles S. Prebish, 2010-11-01

*Constructing Reality in Comparative Theology* Paul S Chung, 2023-01-01 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world      **Gyōnen's Transmission of the Buddha Dharma in Three Countries** Ronald S. Green, Chanju Mun, 2018-06-05 Gy nen s Transmission of the Buddha Dharma in Three Countries is the first English translation of this work and a new assessment of it Gy nen 1240 1321 has been recognized for establishing a methodology for the study of Buddhism that would come to dominate Japan The three countries Gy nen considers are India China and Japan Ronald S Green and Chanju Mun describe Gy nen s innovative doctrinal classification system panjiao for the first time and compare it to other panjiao systems They argue that Gy nen s arrangement and what he chose to exclude served political purposes in the Kamakura period and thus engage current scholarship on the construction of Japanese Buddhism      No Longer the Same D. Brockman, 2011-01-17 This volume addresses what happens to Christian theology when it follows its traditional habit of excluding religious others from the theological conversation It argues that the exclusion of non Christian voices blinds Christian theology not only to its own character but also to the God to whom it seeks to be faithful      *Doing the Work of Comparative Theology* Veli-Matti Kärkkäinen, 2020-01-28 In a world that is more religiously diverse than ever before our coworkers and neighbors may well be adherents of other faiths But how many of us really grasp the similarities and

differences between the major world religions Comparative theology is one increasingly important way to bridge this gap especially for Christian leaders and professors but also for lay people and students Veli Matti K rkk inen introduces the nature and work of comparative theology then delves into a detailed doctrine by doctrine comparison of Christian teachings with those of historical and contemporary Judaism Islam Buddhism and Hinduism With every doctrine he first presents a summary of consensual Christian belief and then orients the reader to the distinctive teachings of other faith traditions highlighting parallels and differences Ideal for students ministers instructors and lay people interested in interfaith dialogue Doing the Work of Comparative Theology distills the comparative theological rigor of K rkk inen s Constructive Christian Theology for the Pluralistic World series into an accessible and user friendly textbook Readers will not only learn basic methodology but also begin to undertake the actual work of comparative theology Popular Buddhism in Japan Esben Andreasen,2014-05-01 With a foreword by Prof Alfred Bloom This completely new study of Japanese Shin Buddhism offers a valuable combination of historical development carefully selected readings with commentaries and illustrations Widely welcomed both for its scope as course work reader and as a general introduction to the subject **Comparative Ethics in Hindu and Buddhist Traditions** Roderick Hindery,1978 The exploratory volume in the new field of comparative ethics serves the diverse goals of groups variously interested in International law and morality in comparative religious ethical ideals or simply in cross cultural literature and drama The author draws moral ideals from primary Hindu sources popular and formal literary and spiritual The same method is applied for Buddhist moral texts Introducing method in comparative ethics with a synopsis of Hindu mystical tradition the author discusses in detail ethics in the Rgveda Upanisads Laws of Manu Ramayana Gita other popular classics poetry drama philosophers and reformers After summarizing pluralism in Hindu ethics the author sketches ethical thought in Mahayana Buddhist texts The book contains elaborate notes two appendices critical textual matter a diagram of topical parallels a bibliography and an index *Beyond Dialogue* John B. Cobb,1998-07-30 Christian Reflection about other religions has often misinterpreted the truth of the other Ways The Roman Catholic Church and the World Council of churches stress that Christians can gain an appreciative understanding of other traditions only through meaningful dialogue with believers of other faiths This book however emphasizes the need for Christians to go beyond dialogue to reach for a mutual transformation of Christianity and other religions By way of example the author explores with originality the Christian encounter with Mahayana Buddhism He offer an original view of how Christianity and Buddhism can appropriately transform one another when both partners are truly respected as equal Both contributing both benefiting John Cobb boldly challenges us to hear in an authentic way the truth which the other has to teach us and to be transformed by that truth Turning Points in Religious Studies Ursula King,2016-10-06 Religious Studies was first introduced as a new discipline in universities and colleges around the world in the 1960s This discipline brought about a reorientation of the study of religion created new perspectives and influenced all sectors of education The

essays presented in this volume provide a clear and comprehensive overview of the history of Religious Studies as an academic discipline the turning points it faces and the directions it might take in the future The work is organised in three sections The first presents a succinct case study of the historical development of Religious Studies in Britain The second considers the development of Religious Studies throughout the world in its major constituents including Hinduism Buddhism Sikhism traditional African religions Christianity Islam and new religious movements in Africa the study of truth and dialogue in religion science and the rediscovery of religious experience mysticism The third section looks to developments in Religious Studies in particular at religion in relation to the arts gender information technology and to Religious Studies in a global perspective

The Prince and the Monk Kenneth Doo Young Lee, 2012-02-01 The Prince and the Monk addresses the historical development of the political and religious myths surrounding Shōtoku Taishi and their influence on Shinran the founder of the Jōdo Shinshū school of Pure Land Buddhism Shōtoku Taishi 574-622 was a prince who led the campaign to unify Japan wrote the imperial constitution and promoted Buddhism as a religion of peace and prosperity Shinran's Buddhism developed centuries later during the Kamakura period which began in the late twelfth century Kenneth Doo Young Lee discusses Shinran's liturgical text his dream of Shōtoku's manifestation as Kannon the world saving Bodhisattva of Compassion and other relevant events during his life In addition this book shows that Shinran's Buddhism was consistent with honji suijaku culture the synthesis of the Shinto and Buddhist pantheons prevalent during the Kamakura period

**Ethics and Society in Contemporary Shin Buddhism** Ugo Dessì, 2007 Contemporary Shin Buddhism is characterized by the simultaneous presence of an almost radical aversion to a normative approach to ethics a rich and multifaceted debate on ethical issues and an interesting amount of social activism Ethics and Society in Contemporary Shin Buddhism focuses on such aspects of this influential tradition of Japanese Buddhism which can be traced back to the thought of Shinran 1173-1262 and on its interplay with Japanese society over the last few decades with particular reference to its two major branches Honganji-ha and Otani-ha In addition the ethical implications of the responses being given by these institutions and their followers to the ongoing process of globalization together with the contradictions embedded therein are analysed and compared with other reactions found in different religious traditions
