Shinsengumi The Shoguns Last Samurai Corp:

Shinsengumi Romulus Hillsborough, 2013-06-25 Shinsengumi The Shogun's Last Samurai Corps is the true story of the notorious samurai corps formed in 1863 to arrest or kill the enemies of the Tokugawa Shogun. The only book in English about the Shinsengumi, it focuses on the corps' two charismatic leaders Kondo Isami and Hijikata Toshizo, both impeccable swordsmen. It is a history in brief of the final years of the Bakufu, which collapsed in 1867 with the restoration of Imperial rule. In writing *Shinsengumi*, Hillsborough referred mostly to Japanese language primary sources including letters, memoirs, journals, interviews, and eyewitness accounts, as well as definitive biographies and histories of the era. The fall of the shogun's government, Tokugawa Bakufu, or simply Bakufu, in 1868, which had ruled Japan for over two and a half centuries, was the greatest event in modern Japanese history. The revolution, known as the Meiji Restoration, began with the violent reaction of samurai to the Bakufu's decision in 1854 to open the theretofore isolated country to Western barbarians. Though opening the country was unavoidable, it was seen as a sign of weakness by the samurai, who clamored to expel the barbarians. Those samurai plotted to overthrow the shogun and restore the holy emperor to his ancient seat of power. Screaming heaven's revenge, they wielded their swords with a vengeance upon those loyal to the shogun. They unleashed a wave of terror at the center of the revolution, the emperor's capital of Kyoto. Murder and assassination were rampant. By the end of 1862, hordes of renegade samurai called ronin had transformed the streets of the Imperial Capital into a sea of blood. The shogun's administrators were desperate to stop the terror. A band of expert swordsmen was formed. It was given the name Shinsengumi, Newly Selected Corps, and commissioned to eliminate the ronin and other enemies of the Bakufu. With unrestrained brutality, bolstered by an official sanction to kill, the Shinsengumi soon became the shogun's most dreaded security force. In this vivid historical narrative of the Shinsengumi, the only one in the English language, author Romulus Hillsborough paints a provocative and thrilling picture of this fascinating period in Japanese history.

Shogun's Last Samurai Corps Romulus Hillsborough, 2021-03-02 Power to them meant everything. It was founded on courage which begot honor. And by this courage and for this honor they fought to the death. The Shogun's Last Samurai Corps tells the thrilling story of the Shinsengumi, the legendary corps of Samurai warriors tasked with keeping order in Kyoto during the final chaotic years of the Tokugawa Shogunate, 1600-1868. This book recounts the fascinating tales of political intrigue, murder, and mayhem surrounding the fearsome Shinsengumi, including the infamous slaughter at Ikidaya Inn, where, after learning of a plan to torch the city, a group of Shinsengumi viciously attacked and killed a group of anti-Tokugawa plotters. The bloody assassination of Serizawa Kamo, the Shinsengumi leader, under highly suspicious circumstances. The final tumultuous battles of the civil war in which the Shinsengumi fought and died in a series of doomed last stands. Author and Samurai history expert Romulus Hillsborough uses letters, memoirs, interviews, and eyewitness accounts to paint a vivid picture of the Shinsengumi, their origins, violent methods, and the colorful characters that led the group.

The Samurai Swordsman

Stephen Turnbull, 2008-02-20 Samurai tells the story of the courageous and highly disciplined fighting men of this time showing how they evolved from the primitive fighters of the seventh century into an invincible military caste with a fearsome reputation. In the early seventh century the samurai rose to prominence during the struggles between the emperor and the military leaders shogun. They took part in the invasion of Korea as well as helping to keep Japan free from foreign influence. From the Heian period through to the Onin wars the history of the samurai is replete with tales of heroism and bloodshed. Although the samurai is most famous for his use of the sword he also used a wide variety of other weapons such as the crossbow, the dagger and the spear. Samurai armour and costume were constantly evolving and by the twelfth century most samurai were wearing the box-like yoroi armour. Samurai examines samurai fighting tactics as well as acts such as ritual suicide *hari kiri* and the taking of enemy heads as trophies.

Five Flags Stuart Buxton, 2025-05-20 In a vivid narrative traveling from London to Paris from Copenhagen to Havana from Washington to Tokyo Five Flags brings to life the incredible true story of the Stonewall, one of the first ironclads built during the Civil War.

Samurai Revolution Romulus Hillsborough, 2014-03-25 See the dawn of modern Japan through the lens of the power players who helped shape it as well as those who fought against it in this exploration of Samurai history. Samurai Revolution tells the fascinating story of Japan's historic transformation at the end of the nineteenth century from a country of shoguns, feudal lords and samurai to a modern industrialized nation. The book covers the turbulent Meiji Period from 1868 to 1912, widely considered the dawn of modern Japan, a time of Samurai history in which those who choose to cling to their traditional bushido way of life engaged in frequent and often deadly clashes with champions of modernization. Knowledge of this period is essential to understand how and why Japan evolved into the nation it is today. The book opens with the fifteen year fall of the Tokugawa Shogunate which had ruled Japan for over 250 years and the restoration of the Meiji emperor to a position of power at the expense of the feudal Daimyo lords. It chronicles the bloody first decade of the newly reestablished monarchy in which the new government worked desperately to consolidate its power and introduce the innovations that would put Japan on equal footing with the Western powers threatening to dominate it. Finally, Samurai Revolution goes on to tell the story of the Satsuma Rebellion, a failed coup attempt that is widely viewed as the final demise of the samurai class in Japan. This book is the first comprehensive history and analysis in English that includes all the key figures from this dramatic time in Japanese politics and society and is the result of over twenty-five years of research focused on this critical period in Japanese history. The book contains numerous original translations of crucial documents and correspondence of the time as well as photographs and maps. Samurai Revolution goes in depth to reveal how one era ended and another began.

Samurai Tales Romulus Hillsborough, 2011-08-30 Samurai Tales is about the legendary men from the samurai class who fought for the helm of power in 19th century Japan. These are stories of courage, honor, fidelity, disgrace, fate and destiny set in the bloody time of political change and social upheaval in the final years of the Shogun. The final years of the samurai were an age of unprecedented

turmoil and bloodletting in Japan They heralded the end of nearly three centuries of rule under the Tokugawa Shogun The rule of law was deteriorating assassination and murder were rampant and inner fighting among the warrior class embroiled the nation After the United States forced an end of over two hundred years of Japanese isolation two contrasting philosophies were embraced by the samurai On one side were those who would overthrow the shogun and restore the Emperor to power Opposing the revolutionaries were the allies of the Tokugawa Bakufu headed by the shogun While the shogun's men clashed violently with the revolutionaries as samurai they shared with each other an allegiance to an unwritten code of honor which governed the ways they lived and died Theirs was a stoic system of morals which condoned suicide vengeance and in some cases cold blooded murder Samurai Tales is to quote author Romulus Hillsborough accurate portrayals of the heart and soul of the samurai the social and political systems of whom have like the Japanese sword become relics of a distant age but the likes of whose nobility shall never again be seen in this world In recounting what he terms the great epic which was the dawn of modern Japan Hillsborough delves deeply into the psyche of the men of the samurai class This book would serve well on the bookshelves of martial artists those interested in samurai culture or those interested in Japanese history *Digital Love* Heidi McDonald, 2017-11-02 Scholars and professionals from all over the world across experience levels and the gender and sexuality spectrum share experiences and analysis of romance and sexuality in video games Whether discussing casual sex in the Star Wars universe analyzing various Otome games examining the gaze in various games player romance behavior in games or exploring the ethical ramifications of sexuality in virtual reality and other emerging technologies this book discusses what players want in video game romance and how developers can best deliver it Key Features Examines the past present and future of romance in single player role playing games Discusses common presentations of romance in single player role playing games both in the category and game mechanics that drive romance Discusses research on how players define a satisfying game romance and what specific steps narrative designers can take to design satisfying games Explains the notion of the empathic game and explores its importance in relation to romance in game design *The Courtesan and the Samurai* Lesley Downer, 2010-04-13 1868 In Japan's exotic pleasure quarters sex is for sale and the only forbidden fruit is love Hana is just seventeen when her husband goes to war leaving her alone and vulnerable When enemy soldiers attack her house she flees across the shattered city of Tokyo and takes refuge in the Yoshiwara its famous pleasure quarters There she is forced to become a courtesan Yozo brave loyal and a brilliant swordsman is pledged to the embattled shogun He sails to the frozen north to join his rebel comrades for a desperate last stand Defeated he makes his way south to the only place where a man is beyond the reach of the law the Yoshiwara There in the Nightless City where three thousand courtesans mingle with geishas and jesters the battered fugitive meets the beautiful courtesan But each has a secret so terrible that once revealed it will threaten their very lives **Japanese Armies 1868-1877** Gabriele Esposito, 2020-03-19 The restoration of the Meiji Imperial dynasty in 1868 after 250 years of the Tokugawa Shogunate decisively opened Japan to the

outside world and the monarchy embraced modernization including the creation of a new Westernized army. However, this modernization process was resisted by the traditional Samurai feudal nobility, leading to a series of battles. The first clash between the two cultures came swiftly during the Boshin War of 1868-69, when a French military adviser Jules Brunet changed sides to join the insurgents. They won several engagements before the final crushing of the rebel Ezo Republic. After this point, the Imperial Army continued to modernize along French lines, and social changes began to impoverish Samurai noblemen who lost their social and political role and their associated privileges. During 1876, the powerful Satsuma Domain around Kagoshima in south-west Kyushu became a focus for discontent. Its leader Saigō Takamori effectively ignored the central government, and in January 1877, increasing unrest broke out into open rebellion. The Imperial forces were now much stronger, and the Navy could land troops and bombard Kagoshima. The bitter Satsuma siege and attempted capture of Kumamoto Castle finally failed in April, and the Samurai made a last stand at Shiroshima on 24 September, choosing to go down fighting. This marked the final defeat and displacement of the Samurai class. This fully illustrated title explores the fall of the Samurai in detail, examining the arms, tactics, key figures of both sides, and charting the increasing Westernization of the Imperial forces.

Teacher's Guide for "Hikari, Girl of Japan" Alice Lockmiller, **Hikari, Girl of Japan** Alice Lockmiller, *History of the Samurai* Jonathan Lopez-Vera, 2020-06-02. A History of the Samurai tells the complete story of Japan's legendary warrior class from beginning to end, an epic tale of intrigue, bloodshed, and bravery that is central to an understanding of the Japanese character and of Japanese history. It describes in detail the core Samurai philosophy of Bushido, the way of the warrior, a complex code of conduct embracing ideals of honor and loyalty that continues to govern the Japanese way of life today. Historian Jonathan Lopez Vera offers a compelling look at these enigmatic warriors, including the lives of famous Samurai Miyamoto Musashi, Japan's greatest swordsman, Tomoe Gozen, the woman who became a Samurai, Tokugawa Ieyasu, the last Shogun, and many more. The tragic tale of the 47 Ronin, who chose honor over their own lives and were forced to commit ritual suicide after avenging their fallen master. The philosophy of Bushido, the Way of the Warrior, the code of conduct that embraced the ideals of honor and loyalty and governed the Samurai way of living. The decline of the Samurai and their transformation from rough battle-hardened warriors to highly educated philosopher-poets. Illustrated with 125 archival prints and photos, the nobility and grandeur of the Samurai is brilliantly showcased in this book. Readers will enjoy immersing themselves in the Samurai's world as historian Jonathan Lopez Vera traces the fascinating story of the rise and fall of these enigmatic warriors throughout Japanese history.

Japanese Popular Culture and Contents Tourism Philip Seaton, Takayoshi Yamamura, 2018-02-02. Contents tourism is tourism induced by the contents narratives, characters, locations, and other creative elements of films, novels, games, manga, anime, television dramas, and other forms of popular culture. Amidst the boom in global interest in Japanese popular culture, the utilization of popular culture to induce tourism domestically and internationally has been central to the Cool Japan strategy, and since 2005, government policy for local

community revitalization This book presents four main case studies of contents tourism the phenomenon of anime pilgrimage to sites appearing in animated film the travel behaviours and pop spiritualism of female history fans to heritage sites the collaboration between local community fans and copyright holders that underpinned an anime induced tourism boom in a small town north of Tokyo and the large scale economic impacts of tourism induced by NHK s annual samurai period drama Taiga Drama It is the first major collection of articles published in English about media induced tourism in Japan using the contents tourism approach This book will be of particular interest to students and researchers of media and tourism studies in Asia This book was previously published as a special issue of Japan Forum

Boys Who Rocked the World Michelle Roehm McCann,2012-10-30 Short profiles of famous men throughout history from King Tut to Crazy Horse to Stan Lee to Shaun White

The Historical Sociology of Japanese Martial Arts Raul Sanchez Garcia,2018-10-03 Winner of the Norbert Elias Book Prize 2020 This is the first long term analysis of the development of Japanese martial arts connecting ancient martial traditions with the martial arts practised today The Historical Sociology of Japanese Martial Arts captures the complexity of the emergence and development of martial traditions within the broader Japanese Civilising Process The book traces the structured process in which warriors practices became systematised and expanded to the Japanese population and the world Using the theoretical framework of Norbert Elias s process sociology and drawing on rich empirical data the book also compares the development of combat practices in Japan England France and Germany making a new contribution to our understanding of the socio cultural dynamics of state formation Throughout this analysis light is shed onto a gender blind spot taking into account the neglected role of women in martial arts The Historical Sociology of Japanese Martial Arts is important reading for students of Socio Cultural Perspectives in Sport Sociology of Physical Activity Historical Development of Sport in Society Asian Studies Sociology and Philosophy of Sport and Sports History and Culture It is also a fascinating resource for scholars researchers and practitioners interested in the historical and socio cultural aspects of combat sport and martial arts

The First Atomic Bomb Jim Mangi,2022-06-20 While German and Japanese scientists also labored unsuccessfully to create an atomic bomb by the summer of 1945 the American led team was ready to test its first weapon As the clock ticked down to the detonation time of 05 30 hours on 16 July 1945 the nervous team of technicians and scientists waited ten miles away from Ground Zero deep in the New Mexico desert No one knew how powerful the explosion would be or whether even at such a distance they would be safe from the blast Even so some chose to observe the detonation from a point four miles nearer at the control bunker but then no one was even sure that the bomb would work What if that is actually what happened Under schedule pressure from the White House the scientists assembled the device in part with tape and tissue paper knowing some components were flawed These are verifiable facts It means that as many of those who gathered in the New Mexico desert feared at the time the bomb might not have worked during that first test In *The First Atomic Bomb* Jim Mangi explores what might happened in the event that the world s first atomic bomb had not been ready

for use when it was How would this have affected the end of the war in the Pacific and indeed the Second World War as a whole Would Emperor Hirohito s armed forces have battled on When might Colonel Paul W Tibbets at the controls of his Boeing B 29 Superfortress Enola Gay have then made his historic flight over Hiroshima and would that city even have remained the target How would Stalin and the Soviets have reacted to such developments and how would this have played out in the post war world Otafuku Amy Katoh,2005-09-15 With dozens of color photographs and fun informative text this guide to Japanese otafuku is a delight for collectors or Japanese culture enthusiasts Anywhere you go in Japan you are likely to encounter the plump smiling image of Otafuku Author Amy Sylvester Katoh traces the roots and folk beginnings of this mythic figure showing Otafuku s many delightful identities and providing a magical glimpse into this charming character who has become a national icon With a mixture of poems photographs anecdotes and stories she presents a veritable treasure chest of surprises that is sure to enchant readers *Brides from Bridewell* Walter Hart Blumenthal,1998-10-15 Brides from Bridewell is the story of the female felons from England and France who were sent to Colonial America to serve their prison sentences It sets forth the harsh often inhuman penal conditions then prevailing in those lands and the fact that these thousands of feminine felons constituted one of the primary marital elements in the mothering of early America Many women whose offenses were minor were deported Others were confessed criminals The facts constitute one of the neglected or hidden retrospects to the American past Descent from the Mayflower lineage is stressed by genealogists but the fact is forgotten that many unknowing present day Americans of colonial descent derive their American beginnings from female prisoners sent against their will Says the author Many of the transported felons after their servitude had expired became reputable dwellers in the new environment and if not they then their offspring No stigma attaches to their descendants But the tale needs telling **Photographic Guide to the Birds of Sri Lanka** Bikram Grewal,Bill Harvey,Otto Pfister,2002-06-10 A Photographic Guide to the Birds of Sri Lanka and India is the best most comprehensive photographic guide to the birds of South Asia Because of its vast size and geographical location the Indian subcontinent has some of the world s most diverse avifauna It boasts of thousands of species This birdwatching book covers over 800 species and distinct sub species and contains over 1 000 full color photographs Each species has a distribution map Many of the photographs in this magnificent volume appear for the first time and have been carefully selected to show the most important features of the species illustrated In several cases different plumages or flight shots are included The concise text provides vital information on the plumages voice and habits of each species are also mentioned in the texts The maps are accompanied by a note on the status and distribution This birdwatching book will enable accurate field identification in one of the world s most diverse avifaunal regions Indispensable reading for all bird lovers *Samurai Assassins* Romulus Hillsborough,2017-04-18 Assassination in Japanese ansatsu or dark murder was instrumental in the samurai led revolution known as the Meiji Restoration by which the shogun s military government was overthrown and the Imperial monarchy restored in 1868 The

ideology and moral philosophy of the men behind the revolution including bushid or the way of the warrior informed their actions and would become the foundation of the emperor worship of World War II This first ever account in English of the assassins who drove the revolution details one of the most volatile periods in Japanese history also known as the dawn of modern Japan
