*Engines of Rebellion* Saxon Bisbee,2018-08-07 The development of steam propulsion machinery in warships during the nineteenth century in conjunction with iron armor and shell guns resulted in a technological revolution in the world s navies Warships utilizing all of these technologies were built in France and Great Britain in the 1850s but it was during the American Civil War that large numbers of ironclads powered solely by steam proved themselves to be quite capable warships This book focuses on Confederate ironclads with American built machinery offering a detailed look at marine steam engineering practices in both northern and southern industry prior to and during the Civil War It gives a contextual naval history of the Civil War the creation of the ironclad program and the advent of various technologies The author analyzes the armored warships built by the Confederate States of America that represented a style adapted to scarce industrial resources and facilities **All Manner of Prayer** Jerry Udoh Ph.D,2022-10-25 All Manner of Prayer teaches you how to declare war against the wiles of the devil The major reason some Believers live mediocre lives is that their spiritual eyes are covered by Satan Is it not in the book of Hosea that the Bible says my people perish for lack of knowledge No wonder that in the first chapter of the book of Ephesians Paul made a very crucial statement which was more of a prayer than advice that God should give us the Spirit of wisdom and revelation in the knowledge of Him He went further to pray that our eyes of understanding

may be enlightened Why Because so long as the cloak of darkness hovering over you is not unveiled the truth or rather mysteries embedded in the Word of God would not be of use to you The spiritual eyes that are covered cannot appreciate the fact that Satan has a network of coordinated and highly disciplined disciples who are empowered to wage deadly attacks on Believers and the promises of God for them The intent is to either delay or if they can completely abort those wonderful promises from God Believing that Satan does not exist or that Satan is powerless is the greatest deceit of all times It s also a sign that you like many others are still operating in the dark This book teaches you how to pray the deliverance kind of prayer and remove the veil and the shackles Satan has put upon your spiritual eyes preparing you therefore to enter the realm of the supernatural with the authority of God to disarm principalities and powers that are lording over your blessings It is a no nonsense no apologies power packed piece of warfare material intended to inflict maximum damage on the enemies sitting on your glory **Ship of Destiny** Henry J.
