Fear of Losing Eurydice Julieta Campos, 1994-05 This lyrical novel by one of Mexico's leading women writers explores both desire and the desire to tell a love story In an idle moment between grading assignments a French teacher sitting in a cafe in a Caribbean seaport town sketches an island on his white napkin Like Proust's petite madeleine the island opens up a host of images Island the sum of all improbabilities intoxicating improbability of fiction Island image of desire All the islands formulated by human beings and all islands appearing on the maps comprise a single imaginary archipelago the archipelago of desire Monsieur N's original plan to use a Jules Verne novel about shipwrecked schoolboys as a translation exercise for his pupils becomes an obsession to collect every reference to islands he can find and to meditate on them in a diary of his imaginary travels his Islandiary Parallel to this quest is an archetypal love story that he begins writing in his notebook printed in a narrow column with islands of quotations surrounding it Voyaging and the quest for islands becomes a metaphor for the search for paradise for the island as an imagined place where love achieves perfection It also becomes a metaphor for writing Every text is an island

The Theatrical Inquisitor, Or, Monthly Mirror, 1814 **Theatrical Inquisitor**, 1814 **"This Shipwreck of Fragments"** Li-Chun Hsiao, 2009-10-02 In the light of and in response to the popular perception of the Caribbean as an epitome of cultural hybridity and improvisation this book seeks to further examine Caribbean cultural identities along the lines of race class nationalism and history Drawing on a variety of genres of literature and popular music the present volume includes not only essays that stress the shaping and reshaping of Afro Caribbean cultural identities and the significance of hybridization but also those that think against the grain and pursue questions which have not received enough critical attention This latter task can be seen in the attempt to probe the phenomenon that the Caribbean's image as a tropical getaway in metropolitan popular imaginations tends to eclipse its troubled pasts traumatic memories and current and recurrent problems which elude the rhetoric of cultural hybridity presupposing instead a certain non conflictual diversity or racial equality in the relatively innocuous realm of

culture Although nuanced among themselves on certain issues the individual chapters together highlight a body of work which is distinct from the bulk of Anglo American academic productions on the Caribbean as the majority of the textual and cultural materials treated here come from either the Hispanic or Francophone Caribbean **Shakespeare's Goddess** J.
