Shir Hamaalot Ldavid In Defense Of Preachers:

Shir Hama'alot l'David (Song of the Steps) and Ktav Hitnazzelut l'Darshanim (In Defense of Preachers) David Darshan, 1984-12-31 David Darshan of Cracow was the first of the itinerant Jewish preachers whose works were published He was a Renaissance man in a very real sense Preacher scholar artist healer scribe mystic editor commentator and bibliophile and father of five daughters he tried in vain to establish an academy but failed because he was on the wrong side of the establishment He was involved in the reintroduction of the printing of Hebrew books in Poland in 1569 He wrote a commentary on the Jerusalem Talmud as well as a spirited defense of preaching and the preacher's art and copied and illustrated a magnificent Kabbalistic manuscript He wandered through Germany Bohemia and Russia spent time in Italy during the period of the printing of the Zohar and the banning of the Talmud served as scholar in residence at the home of a wealthy Jewish banking family returned to Cracow to become the town darshan and set out for Safed to join the community of Kabbalists and await the Messiah This account of his background and translation of two almost forgotten books Shir haMa a lot l David and Ktav Hitnazzelut l Darshanim a collection of sermons response poems model letters to distinguished persons efforts to fund an academy a sourcebook for would be preachers and a defense of the craft lifts the curtain on the inner life of the Jewish world in the late Middle Ages The reproduction of the Hebrew texts of two books that have all but disappeared places a valuable resource in the hands of scholars The cover illustration for the volume is by David Darshan and appears in the manuscript of Perush hYeri ah haG dolah a commentary on the Ten Spheres which he copied illustrated and signed in Modena in 1556 It depicts Rabbi Akiva surrounded by the four creatures of Ezekiel's chariot vision standing between the sketch of the universe and the spherotic tree The manuscript is evidence of David's skill as scribe and artist Handbook of the Jewish Diaspora Hasia R. Diner, 2021-11-05 For as long as historians have contemplated the Jewish past they have engaged with the idea of diaspora Dedicated to the study of transnational peoples and the linkages these people forged among themselves over the course of their wanderings and in the multiple places to which they went the term diaspora reflects the increasing interest in migrations trauma globalism and community formations The Oxford Handbook of the Jewish Diaspora acts as a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies Persecuted and exiled throughout their history the Jewish people have also left familiar places to find better opportunities in new ones But their history has consistently been defined by their permanent lack of belonging This Oxford Handbook explores the complicated nature of diasporic Jewish life as something both destructive and generative Contributors explore subjects as diverse as biblical and medieval representations of diaspora the various diaspora communities that emerged across the globe the contradictory relationship the diaspora bears to Israel and how the diaspora is celebrated and debated within modern Jewish thought What these essays share is a commitment to untangling the legacy of the diaspora on Jewish life and culture This volume portrays the Jewish diaspora not as a simple unified front but as a

population characterized by conflicting impulses and ideas The Oxford Handbook of the Jewish Diaspora captures the complexity of the Jewish diaspora by acknowledging the tensions inherent in a group of people defined by trauma and exile as well as by voluntary migrations to places with greater opportunity The Codification of Jewish Law on the Cusp of Modernity Edward Fram, 2022-04-28 Codes of Jewish law may look similar but they represent very different ways of thinking about the law My Dear Daughter Edward Fram, 2007-12-31 How did Jewish women in sixteenth century Poland learn all the rules rituals and customs pertaining to the sexual life of couples within the context of marriage As in other areas of ritual life that concerned the household it would seem that the primary source for the education of Jewish women was other women But rabbinic law dictates that Jewish women who experience uterine bleeding are prohibited from having physical contact of any kind with their husbands and the intricate laws of niddah enforced separation spell out exactly when and under what circumstances physical marital relations even simple touching can be resumed Particularly difficult issues could be addressed only by rabbis or other learned men since women rarely if ever attained the level of rabbinic scholarship necessary to pare the details of these complicated laws To educate both men and women but particularly women in a more systematic and impersonal manner the young rabbi Benjamin Slonik ca 1550 after 1620 who later became one of the leading rabbinic authorities in eastern Europe harnessed the relatively new technology of printing and published a how to book for women in the Yiddish vernacular Seder mitzvot hanashim The Order of Women's Commandments illuminates the history of Yiddish printing and public education But it is also a rare remnant of a direct interface between a member of the rabbinic elite and the laity especially women Slonik's text also sheds light on the history of Jewish law particularly the reception of the Shulhan Arukh an important legal code that had just been published This volume makes available the 1585 edition of the Seder mitzvot hanashim in Yiddish and English Fram sets Slonik s work in its bibliographical and historical contexts demonstrating its relationship with the Shulhan Arukh exploring how rabbis opposed formal education for women considering how upheavals accompanying geographic shifts in the Ashkenazic community help explain how the women s commandments texts came to be used in Poland and offering a treasure trove of information on the place and roles of women in Polish Jewish society Fram thus creates a composite picture of how Slonik along with other men of his time perceived the main audience for his work and sought to connect it to contemporary texts A Jew in the Street Nancy Sinkoff, Jonathan Karp, James Loeffler, Howard Lupovitch, 2024-06-25 These investigations illuminate the entangled experiences of Jews who sought to balance the pull of communal religious and linguistic traditions with the demands and allure of full participation in European The Routledge Companion to Jewish History and Historiography Dean Phillip Bell, 2018-10-10 The Routledge life Companion to Jewish History and Historiography provides an overview of Jewish history from the biblical to the contemporary period while simultaneously placing Jewish history into conversation with the most central historiographical methods and issues and some of the core source materials used by scholars within the field The field of Jewish history is

profitably interdisciplinary Drawing from the historical methods and themes employed in the study of various periods and geographical regions as well as from academic fields outside of history it utilizes a broad range of source materials produced by Jews and non Jews It grapples with many issues that were core to Jewish life culture community and identity in the past while reflecting and addressing contemporary concerns and perspectives Divided into four parts this volume examines how Jewish history has engaged with and developed more general historiographical methods and considerations Part I provides a general overview of Jewish history while Parts II and III respectively address the rich sources and methodologies used to study Jewish history Concluding in Part IV with a timeline glossary and index to help frame and connect the history sources and methodologies presented throughout The Routledge Companion to Jewish History and Historiography is the perfect volume for anyone interested in Jewish history Indiana Indiana Jacob Zahalon, Henry Adler Sosland, 1987 A Hiterto unpublished manual on sermon making written in seventeenth century Italy it discusses sermon length organization opening and conclusion American Book Publishing Record, 1985 The Cumulative Book Index ,1985 A world list of books in the English language CCAR Journal Central Conference of American Rabbis,1980 Journal of Reform Judaism ,1980 Books in Series, 1876-1949 R.R.
