An Ode to My Mother-in-Law, Winnie Serobe Gloria Tomatoe Serobe, 2023-07-21 Gloria Tomatoe Serobe ne Ndaliso married Gaur Serobe in 1987 following a six month courtship And so began Gloria s 26 year relationship with her mother in law Winnie Serobe Winnie Serobe was born in Thaba Nchu in 1933 in a deeply racialised South Africa Yet she transcended all the barriers put in place by the South African government and society at large to become a nurse midwife community builder social entrepreneur and leader In the course of her marriage to Andrew Serobe for 40 years during which they became parents to five children she was never only a wife and a mother This book is Gloria s ode of love honour and respect to her mother in law whom she referred to as Mama It brings to life the story of a Winnie Serobe who we may not read about when we look at the heroes and heroines of this country but who served those around her every day She remains memorialised in the hearts and minds of those for whom she fought for the right to be educated buried with dignity and provided with the best quality healthcare particularly for mothers and their unborn and new born babies Throughout her remarkable life Winnie Serobe saw heard and homed some of the most vulnerable stigmatised ostracised and perhaps forgotten members of her community Throughout this life well lived she nurtured and mentored Gloria as a makoti of the Serobe family She reframed marriage family and service for the young Gloria lessons which Gloria shares in the pages of this book Gloria Tomatoe Serobe is a founding member and CEO of WIPHOLD and is a leading activist for community upliftment the empowerment of women and the sustainable transformation of the South African economic landscape She has been recognised for her leadership in business and community activism with numerous awards and a number of honorary degrees

*Annual Report* United States. Small Business Administration, 1983      **List of Nurserymen, Florists & Dealers and the Texas Nursery and Floral Inspection Law** , 1978      **Banking in Oklahoma Before Statehood** Michael J. Hightower, 2013-10-10 This lively book takes Oklahoma history into the world of Wild West capitalism It begins with a useful survey of banking from the early days of the American republic until commercial patterns coalesced in the East It then follows the course of American expansion westward tracing the evolution of commerce and banking in Oklahoma from their genesis to the eve of statehood in 1907 Banking in Oklahoma before Statehood is not just a story of men sitting behind desks Author Michael J Hightower describes the riverboat trade in the Arkansas and Red River valleys and freighting on the Santa Fe Trail Shortages of both currency and credit posed major impediments to regional commerce until storekeepers solved these problems by moving beyond barter to open ad hoc establishments known as merchant banks Banking went through a wild adolescence during the territorial period The era saw robberies and insider shenanigans rivalries between banks with territorial and national charters speculation in land and natural resources and land fraud in the Indian Territory But as banking matured the better capitalized institutions became the nucleus of commercial culture in the Oklahoma and Indian Territories To tell this story the author blends documentary historical research in both public and corporate archives with his

own interviews and those that WPA field workers conducted with old timers during the New Deal Bankers were never far from the action during the territorial period and the institutions they built were both cause and effect of Oklahoma's inclusion in national networks of banking and commerce. The no holds barred brand of capitalism that breathed life into the Oklahoma frontier has remained alive and well since the days of the fur traders. As one knowledgeable observer said in the 1980s: "You've always had the gambling spirit in Oklahoma." **Harper's Bazaar**, 1952 Special Publication, 1955

As a result of the Napoleonic wars vast numbers of Old Master paintings were released on to the market from public and private collections across continental Europe. The knock on effect was the growth of the market for Old Masters from the 1790s up to the early 1930s when the Great Depression put an end to its expansion. This book explores the global movement of Old Master paintings and investigates some of the changes in the art market that took place as a result of this new interest. Arguably the most important phenomenon was the diminishing of the traditional figure of the art agent and the rise of more visible increasingly professional dealerships. Firms such as Colnaghi and Agnew's in Britain, Goupil in France and Knoedler in the USA came into existence. *Old Masters Worldwide* explores the ways in which the pioneering practices of such businesses contributed to shape a changing market.
