Shocking Beauty:

Beguiled by Beauty Wendy Farley, 2020-12-01 Contemplative disciplines such as centering prayer and meditation have been part of Christian life for centuries They seem hard to practice now not simply because our distracted and hyperstimulated age makes them difficult but also because they can appear irrelevant to the needs of a fractured and ugly historical moment Yet these practices are more essential now than ever claims Wendy Farley These practices essentially awaken and attune us to the beauty both of the created order and of human relationships Farley helps readers discover being made for both kinds of beauty with contemplative disciplines immersing us in it Tying these disciplines with contemplation allows us to engage with the struggle for justice in an unjust society *Beguiled by Beauty* includes practical advice for readers to learn several contemplative meditation practices

The Beauty of Convention Marija Knežević, Aleksandra Nikcevic-Batricevic, 2014-06-02 This volume addresses the beauty of convention not in an attempt to recapitulate established values as luckily in literature and culture there are not absolute beauties that serve everyone and always but as an aesthetic appreciation of form as a keeper of meaning and as an ethical post cynical metadiscourse on human dependence on symbolic interaction and generic conventions Looking into the artificial invented side of this concept the book addresses such questions as What is beauty by virtue of convention How does convention generate beauty How does it happen that a convention acquires a normative force What is the nature and the logic of situation that leads to the arbitrary conventions How are alternative conventions made What is inertia and what real joy or belief ensures the stability of convention Is there a natural correctness that enables the stability of convention How does convention determine linguistic meanings Can interpretation avoid convention Without imposing one definition onto the reader this volume presents an understanding of the stability of convention and how it generates beauty by employing numerous contemporary reading strategies and diverse cultural ethnic gender psychological and textual perspectives Primary focus is given to various literary texts ranging from early classics to modernism and contemporary writing though there are also discussions on other forms of human expressions such as music dance and sculpture This book will contribute to the on going discussion about the ambiguities inherent in the concept of convention and thus stimulate intellectual confrontation and circulation of ideas within the fields of literature and culture

Rahab Shadia Hrichi, 2023-10-31 Step into the story of Rahab a woman who witnessed no miracles and knew none of God's laws She merely heard of God's power and believed The story of Rahab appears after God commissions Joshua to lead the Israelites after the death of Moses No sooner do the people come to the edge of the Promised Land than God puts the whole drama on hold to tell us the story of a Canaanite prostitute This interruption of the conquest story gives us our first glimpse into the theological significance of

Rahab's story In the New Testament Rahab holds a surprisingly prominent position in several key faith passages as well as being listed in the lineage of Christ In fact she marries a prince The prostitute marries a prince This is the stuff of movies The heartbeat of the Bible is God's passionate pursuit of his adulterous Bride a theme that echoes within the depths of every human heart But the best part Rahab's story is our story It's a story centered on three key themes without which there would be no Bible no gospel and no Savior faith grace and salvation Through her daring faith Rahab hid enemy spies defied her king risked her life and found the living God By the time you finish this six week study you will never look at the story of Rahab the same way again
