Selling Women's History Emily Westkaemper, 2017-01-09 Only in recent decades has the American academic profession taken women's history seriously But the very concept of women's history has a much longer past one that's intimately entwined with the development of American advertising and consumer culture *Selling Women's History* reveals how from the 1900s to the 1970s popular culture helped teach Americans about the accomplishments of their foremothers promoting an awareness of women's wide ranging capabilities On one hand Emily Westkaemper examines how this was a marketing ploy as Madison Avenue co-opted women's history to sell everything from Betsy Ross Red lipstick to Virginia Slims cigarettes But she also shows how pioneering adwomen and female historians used consumer culture to publicize histories that were ignored elsewhere Their feminist work challenged sexist assumptions about women's subordinate roles Assessing a dazzling array of media including soap operas advertisements films magazines calendars and greeting cards *Selling Women's History* offers a new perspective on how early and mid twentieth century women saw themselves Rather than presuming a drought of female agency between the first and second waves of American feminism it reveals the subtle messages about women's empowerment that flooded the marketplace

Trumpet Blues Peter J. Levinson, 1999-11-18. Swing is back in style, and with it, a renewed interest in the Big Band Era. And few players dominated that era more than Harry James, whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation. Now Peter J. Levinson, who knew Harry James personally, has written a revealing biography of this jazz icon based on nearly 200 interviews with musicians and friends. Harry James led a truly colorful life, and in *Trumpet Blues*, Levinson captures it all. Beginning with James's childhood in a traveling circus, we follow the young trumpeter's meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra. We see how James formed his own band in 1939, an incubator for many pop music stars of the 1940s and 50s, including Frank Sinatra, Connie Haines, Dick Haymes, Helen Forrest, and Kitty Kallen. Combined with James's superb musicianship, peerless trumpet technique, and talented sidemen, this stellar group dominated the war years and the immediate post-war period. And James himself, especially after his marriage to film goddess Betty Grable, became one of America's most famous personalities and lived like true Hollywood royalty. Levinson describes their twenty-two-year marriage with insight and sympathy. But he shows how James's marriage and his triumphant late 1950s comeback in Nevada's casinos were slowly undermined by his penchant for compulsive gambling, womanizing, and alcoholism. He gives us the inside story of James's sybaritic life style and probes the profound psychological reasons for James's destructive behavior. The first biography ever written on Harry James, *Trumpet Blues* is a scintillating portrait of Swing's

brightest star his life his loves and the music that defined an era
