**Out of the Park** John Passfield,2011-10-05 When we go to a baseball stadium and cheer a person like Babe Ruth for hitting the ball harder higher further and more often than the other players we are cheering him as our representative We cheer people of exceptional accomplishment whose achievements are so highly visible and so obviously measurable because we too are faced with the complexity of the lives that we live and are challenged to perform feats of heroic proportions just to be able to say that we have lived our lives well when we come to the end In the novel Babe Ruth says There aint nothin like a game of baseball There aint nothin like a beautiful summer day with the clouds light and fluffy and the sun on the back of your shoulders and a nice liftin breeze comin down onto the field from out of the stands The man who feels this way about the game he loves is a man who faces enormous challenges digs deep down inside himself and finds whatever is needed in order to triumph in the game of life This makes him a fitting representative for us all we all hit spectacular home runs in our own quiet ways

*Never These Men* Thomas Porky McDonald,2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individuals weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In *Never These Men* Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer *Never These Men* fundamentally asks the reader to imagine how it feels to be branded for a singular moment in ones life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly

cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer Never These Men asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed
