Shoestring Entrepreneurs Guide To Internet Start Ups:

The Shoestring Entrepreneur's Guide to Internet Start-Ups Robert Spiegel, 2001-11-09 The latest Shoestring Entrepreneur guidebook takes readers through what is and isn't working in the world of Internet ventures. Each chapter offers clear, easy-to-understand advice on selecting the right niche market and securing start-up funding, plus guidelines for creating Web sites and affiliating with larger companies. Spiegel provides an insider's understanding of how to drive traffic to a particular site and turn visitors into repeat customers. He reveals tactics used by top Web sites for developing lasting customer relationships and explains how to best utilize the marketplace. An excellent addition to the Shoestring series and a must-have for all up-and-coming entrepreneurs, this book is a road map to a profitable Internet business model, as well as a guide to avoiding models that have led companies into financial disaster. *Shoestring Venture* Steve Monas, Richard Hooker, 2008 A Complete Guide to Starting and Growing Your Own Business On A Shoestring Budget The Cheat Sheet for Business For the millions who start a new business every year on the barest of resources, *Shoestring Venture The Startup Bible* is like hiring a high-level consultant to deal with the bewildering maze of issues from finance to marketing to technology that all entrepreneurs face. Every business is nothing but a series of decisions which can make or break the business. You could say that if there is a science of business, it is the science of making good decisions. And every bootstrap entrepreneur faces the daunting task of making ALL the business decisions, any one of which could either doom the enterprise or catapult it to stratospheric success. That means that every entrepreneur has to quickly get up to speed on every issue their business faces. *Shoestring Venture The Startup Bible* is the most exhaustive set of practical resources collected to empower entrepreneurs to make the right decisions on a limited budget from business concept to product development to Web marketing. We call a consultant in a book there to give considered and experienced answers to the infinite questions that come up. *Shoestring Venture The Start-up Bible* All entrepreneurs, even the smallest operating on the tightest of budgets, have the opportunity to build powerful start-up organizations without ever really having to walk out the front door. Using global communications and data networks, even bootstrap entrepreneurs can staff an entire organization with every human resource and skill they need at rock-bottom prices. In short, anyone can run a virtual organization using only a desktop or laptop computer. *Shoestring Venture The Startup Bible* gives bootstrap entrepreneurs all the resources they need to build truly effective startups using the magic of outsourcing and offshoring. This is the century for small business. You have the tools to build a powerful start-up organization from financing to product development to marketing without ever really having to walk out your front door. Using global communications and data networks, you can staff an entire organization with every human resource and skill you need at rock-bottom prices. You are, in short, running a virtual organization using only a desktop or laptop computer. It is the magic of outsourcing. It means that you can be a pretty formidable player in the business world. Why? Because it permits you to focus your energies on what brings real value to your business, what you do best. That is what this

book is all about Shoestring Venture gives you the tools you need to start your new venture or take your current business several levels higher by exploiting the resources our interconnected world offers you Chapters Startup Finance Taxes Banking Hardware and Software Bringing Your Products to Market Outsourcing Your Back Office Information Technology Web and Ecommerce and Promoting Your Product Marketing Sales Successful Startups William A.
